II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, Nasdaq provides a limited exception to its general limitation of liability rules that allows for the payment of claims to users for order processing failures in the Nasdaq Market Center. Nasdaq proposes to modify its process for allocating such payments and extend the time period for users to submit such claims. Under the proposal, Nasdaq will eliminate the \$100,000 and \$250,000 daily caps on liability and consider all such claims on a monthly basis subject to the already existing \$500,000 monthly liability cap. If the total amount of all claims from all users in a calendar month exceeds the \$500,000 monthly liability cap, the \$500,000 maximum monthly dollar amount will be proportionally allocated among all such claims as set forth in the current rule.

Nasdaq is also proposing to extend, until 12 noon ET on the next business day following the day on which the use of the Nasdaq Market Center gives rise to a claim, the time period during which claims seeking compensation must be submitted.

As Nasdaq analyzes total eligible liability claims on a per-month look-back basis, the proposal, in effect, would allow Nasdaq an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner. Finally, Nasdaq notes that other market centers have rules in place to provide

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

limited compensation for system malfunctions.⁴

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Sections 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. As Nasdaq analyzes total eligible liability claims on a per-month look-back basis, the proposal, in effect, would allow Nasdaq an increased capability to compensate a market participant(s) up to the monthly cap of \$500,000 even though the losses occurred on a single day or were across multiple days for a single participant. The expansion of time to make such compensation claims likewise increases the ability of market participants to submit claims in a timely manner.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A)

of the Act⁷ and Rule 19b-4(f)(6)⁸ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. Nasdaq has satisfied this requirement.

between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of Nasdaq. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions.
