

participate in any discretionary tender on the same basis as any similarly situated holder of floating rate interests; (ii) the Fund must participate in any mandatory tender on the same basis as each similarly situated holder; and (iii) less than 50% of the floating rate interests are owned by Funds (and other discretionary accounts) managed by the Fund's Adviser.

(b) In the case of such arrangements structured after the closing of the Joint Venture:

(i) The Necessary Majority of the Fund's Board will adopt procedures designed to assure that it is in the best interests of the Fund to participate in any such arrangements. Such procedures will take into consideration, among other things, the terms of the arrangement, the nature of the respective interests in the trusts that may be held by the Trading Entity and the Funds, and the circumstances under which the Trading Entity may cause termination of the trust and the transfer of the underlying bonds back to the Fund; and

(ii) where a Trading Entity owns the residual interest and a Fund owns a floating rate interest: (1) The Fund must be eligible to participate in any discretionary tender on the same basis as any similarly situated holder of floating rate interests; (2) the Fund must participate in any mandatory tender on the same basis as each similarly situated holder; and (3) less than 50% of the floating rate interests must be owned by Funds (and other discretionary accounts) managed by the Fund's Adviser.

(c) Before any such arrangements are entered into pursuant to the exemption, where the Fund holds the residual interest, the Fund or the Adviser must obtain competitive quotations from at least two unaffiliated institutions with respect to fees charged by such institutions for acting as liquidity provider or remarketing agent, except that if quotations are unavailable from two such institutions, only one other competitive quotation is required. Any fees paid to the Trading Entity as liquidity provider or remarketing agent will be no greater than the lowest of such quotations, unless the Board finds that such difference is justified by a corresponding difference in the nature of the services provided.

7. With respect to ABS or MBS that are newly issued by special purpose entities sponsored by a Trading Entity (or an affiliate) under circumstances in which both the following are true: (a) The residual interest in the special purpose entity is owned directly or indirectly by the Trading Entity (or an

affiliate); and (b) the Trading Entity (or an affiliate) acts as the servicer of assets, purchases of such securities will be made by a Fund only where, based on relevant information that is reasonably available to the Adviser, the Adviser believes that, upon the close of the transaction, Funds (and other discretionary advisory accounts) managed by the Adviser will purchase less than 50% of the dollar amount of securities of each class acquired by the Fund in the aggregate, and the Fund participates in each such class on the same terms as other purchasers of that class.

8. With respect to a syndicated loan facility in which a Fund and a Trading Entity participate in a manner that might otherwise be prohibited by section 17(d) of the Act and rule 17d-1 thereunder: (a) The participation by the Fund and the Trading Entity will involve no coordination between the Fund and the Trading Entity beyond that of a type the Trading Entity engages in with other unaffiliated participants in such facility; (b) the terms of the Fund's participation in the facility (to the extent within the knowledge and control of the Trading Entity) will be on a basis no less advantageous than that of other similarly situated participants (i.e., the Fund will receive the same priority, security, interest rate and fees as other participants in the same tranche or other portion of the loan in which the Fund is a participant), except to the extent such difference is related to services performed with respect to the facility or their role in the facility; and (c) in the case of the primary syndication of a loan facility where the Trading Entity is lead agent with primary responsibility for structuring, arranging or placing such facility, the Fund will participate in the facility only where, based on relevant information that is reasonably available to the Adviser, the Adviser believes that, upon conclusion of allocations to holders of record in the primary syndication of the facility, less than 50% of the participations will be held by Funds (and other discretionary advisory accounts) managed by the Adviser.

9. With respect to situations in which a Fund and a Trading Entity have invested in the same company and that might otherwise be prohibited by section 17(d) of the Act and rule 17d-1 thereunder (other than a syndicated loan transaction, which is subject to condition B.8 above): (a) The Fund's and the Trading Entity's investment will involve no coordination between the Trading Entity and the Fund beyond that of a type the Trading Entity engages in with other unaffiliated investors in

such company; and (b) the Fund will participate or invest in a type or class of securities (e.g., equity securities) of the company only where, based on relevant information that is reasonably available to the Adviser, the Adviser believes that, upon the close of the investment transaction, less than 50% of the dollar amount of the securities of such type or class will be owned by Funds (and other discretionary advisory accounts) managed by the Adviser.

For the Commission, by the Division of Investment Management, under delegated authority.

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-60791; File No. SR-ISE-2009-74]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Adopt an Intermarket Sweep Order Credit

October 5, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 1, 2009, International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to adopt an Intermarket Sweep Order credit. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to adopt an Intermarket Sweep Order credit. On August 31, 2009, the Exchange implemented the new Options Order Protection and Locked/Crossed Market Plan ("Distributive Linkage") and the use of Intermarket Sweep Orders ("ISOs"). Consistent with Distributive Linkage and pursuant to ISE rules, the Exchange's Primary Market Makers ("PMMs") have an obligation to address customer orders when there is a better market displayed on another exchange. ISE's PMMs meet this obligation via the use of ISOs. In meeting their obligations, PMMs may incur fees when they send ISOs, especially when sending ISOs to exchanges that charge "taker" fees. To minimize their financial burden and help offset such fees, ISE proposes to compensate the PMM by rebating to the PMM \$0.20 per contract on all ISO orders sent to an away market, regardless of the fee charged by the exchange where the ISO order sent away was executed. The proposed fee credit applies to PMMs for classes in which it serves as a PMM.

ISE proposes to implement this fee change on October 1, 2009.

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "Exchange Act") for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, the proposed fee change will offset fees incurred by PMMs when they send ISOs to away markets.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ because it establishes a due, fee, or other charge imposed by NYSE Arca on its members.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-ISE-2009-74. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method.
