Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR § 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Proposed Information Collection; Comment Request

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning the renewal President's Volunteer Service Awards (PVSA), parts A, B, C, D and E. Copies of the information collection request can be obtained by contacting the office listed below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section by December 14, 2009.

ADDRESSES: Send comments to: Corporation for National and Community Service, Attn. Office of Public Affairs, Attn: Mr. David Premo, (Project Officer), 1201 New York Avenue, NW., Washington, DC, 20525.

FOR FURTHER INFORMATION CONTACT: David Premo, (202) 606-6717, or by e-mail at DPremo@cns.gov.

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

I. Background

The President's Volunteer Service Awards were created by Executive Order on January 30, 2003. The awards are administered by the Corporation for National and Community Service. Under the Executive Order, the Corporation was directed to (among other things) design and recommend programs to recognize individuals, schools, and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary schools, secondary schools, and institutions of higher learning. The President's Volunteer Service Awards meet this requirement. In order to recognize individuals, schools and organizations, the program must collect information about the individuals and organizations and their activities to verify that they have earned the award.

The information collected will be used by the Program primarily to identify recipients of the President's Volunteer Service Awards and the Call to Service Awards (4000 hours or more.) Individuals or organizations can be nominated by an organization or third party. The nominations will be reviewed by the administering agency for compliance and awards will be made on that basis. Information also will be used to assure the integrity of the Program (so that, for example, an individual or organization does not receive an award twice for the same project), for reporting on the accomplishments of the Program, for the public awareness campaign (such as press releases and Web site information on winning projects), and to further the purposes of the Executive Order (such as fostering partnerships and coordination of projects and to promote civic engagement).

II. Current Action

The existing collection is set to expire on February 28, 2010. Therefore, the Corporation is now seeking public comment regarding the President's Volunteer Service Awards, parts A, B, C, D and E.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Each

Title: Common Core of Data National Public Education Financial Survey (NPEFS) 2009-11.

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 56.

Burden Hours: 5264.

Abstract: As a result of American Recovery and Reinvestment Act of 2009 (ARRA), NCES has been asked to add six data items to the Common Core of Data National Public Education Financial Survey (NPEFS) in order to allow an adjustment in the state per pupil expenditure (SPPE) used in allocating Title I, Impact Aid, and other ED funds. The Department must be able to exclude the ARRA expenditures from the SPPE so that they will not affect the allocation process. States are already required to track the ARRA revenues separately. The six additional data items will provide the necessary detail to exclude ARRA expenditures from SPPE and allow states to report total ARRA expenditures and their functional allocations, such as for classroom instruction or school construction. The estimated additional data burden time is 8 hours per respondent, for a total of 79 burden hours per state data technician and 19 burden hours per state data manager (total 5,264 burden hours). NPEFS annually gathers universe information from states about revenues and expenditures for public education, specifically revenues by source and expenditures by function and object, such as school administration costs, student transportation, food services, salaries, benefits, and supply costs.
