BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Processed Products Family of Forms

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before December 21, 2009.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Alan Lowther, (301) 713-2328 or Alan.Lowther@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

National Oceanic and Atmospheric Administration (NOAA) annually collects information from seafood and

industrial fishing processing plants on the volume and value of their processed fishery products and monthly employment figures. NOAA also collects monthly information on the production of fish meal and oil. The information gathered is used by NOAA in the economic and social analyses when proposing and evaluating fishery management actions.

II. Method of Collection

In the current survey, NOAA's National Marine Fisheries Service (NMFS) provides each processor a pre-printed form that includes the products produced by the dealer in the previous year. The dealer needs only to fill in the quantities, and add any new products, before returning the form every year. Processors have the option to use a Web-based application that allows them to submit the data electronically.

III. Data

OMB Control Number: 0648-0018.

Form Number: NOAA Forms 88-13, 88-13C.

Type of Review: Regular submission.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 1,322.

Estimated Time per Response: 30 minutes for an Annual Processed Products Report and 15 minutes for a Fishery Products Report Fish Meal and Oil, Monthly.

Estimated Total Annual Burden Hours: 681.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: October 15, 2009.

Certain Frozen Warmwater Shrimp From India and Thailand: Notice of Extension of Time Limits for the Preliminary Results of the Fourth Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood (India) at (202) 482-3874, or Kate Johnson (Thailand) at (202) 482-4929, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

Background

On April 7, 2009, the Department of Commerce (the Department) published a notice of initiation of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from Brazil, India and Thailand covering the period February 1, 2008, through January 31, 2009. See *Certain Frozen Warmwater Shrimp from Brazil, India, and Thailand: Notice of Initiation of Administrative Reviews*, 74 FR 15699 (April 7, 2009).

On May 13, 2009, the Department selected respondents for individual examination in the reviews of certain frozen warmwater shrimp from India and Thailand.¹ See the Memorandum from Holly Phelps to James Maeder entitled "2008-2009 Antidumping Duty Administrative Review of Certain Frozen Warmwater Shrimp from India: Selection of Respondents for Individual Review," and the Memorandum from Kate Johnson and David Goldberger to James Maeder entitled "2008-2009 Antidumping Duty Administrative Review on Certain Frozen Warmwater Shrimp from Thailand: Selection of Respondents for Individual Review."

¹ The Department rescinded the administrative review of frozen warmwater shrimp from Brazil on June 17, 2009. See *Certain Frozen Warmwater Shrimp from Brazil: Notice of Rescission of Antidumping Duty Administrative Review*, 74 FR 28665 (June 17, 2009).

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination in an administrative review within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Consistent with section 751(a)(3)(A) of the Act, the Department may extend the 245-day period to 365 days if it is not practicable to complete the review within a 245-day period. The deadline for the preliminary results of these administrative reviews is currently November 2, 2009.² The Department determines that completion of the preliminary results of these reviews within the statutory time period is not practicable because we are unable to complete our review of the original and/or supplemental questionnaire responses for each respondent and conduct verifications within the current timeframe. The Department thus requires additional time to conduct its analysis for each company in these reviews. Therefore, in accordance with section 751(a)(3)(A) the Act, we are extending the time period for issuing the preliminary results of these reviews until March 1, 2010. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 14, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 15, 2009, the Department of Commerce ("Department") published the final results and final partial rescission of the

antidumping duty administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam") covering the period February 1, 2007, through January 31, 2008. See *Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review*, 74 FR 47191 (September 15, 2009) ("Final Results"). Pursuant to section 751(h) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.224(e), we are amending the *Final Results* to correct a ministerial error in the name assigned to a respondent not selected for individual examination, Thuan Phuoc Seafoods and Trading Corporation, that received a separate rate.

EFFECTIVE DATE: October 20, 2009.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Background

On September 15, 2009, Minh Hai Export Frozen Seafood Processing Joint-Stock Company, Soc Trang Seafood Joint Stock Company, Bac Lieu Fisheries Joint Stock Company, Thuan Phuoc Seafoods and Trading Corporation, and UTXI Aquatic Products Processing Corporation (collectively, "SR respondents") filed timely allegations, pursuant to 19 CFR 351.224(c)(1), that the Department made ministerial errors regarding the respective company names listed in the *Final Results*. No other interested parties filed ministerial error allegations or rebuttals to the SR respondents' ministerial error allegation.

The SR respondents allege that the Department made a ministerial error with respect to the names listed in the "Final Results of Review" section of the *Final Results*. Specifically, Soc Trang Seafood Joint Stock Company claims that the Department inadvertently omitted the claimed "doing-business-as" ("dba") name of "STAPIMEX" from the *Final Results*. Thuan Phuoc Seafoods and Trading Corporation argues that its name abbreviated as "Thuan Phuoc JSC" in the *Final Results* is not a dba name actually used by the company. Additionally, Thuan Phuoc Seafoods and Trading Corporation argues that the Department omitted six

other dba names from the *Final Results*.¹ UTXI Aquatic Products Processing Corporation argues that the Department made a ministerial error in the *Final Results* by omitting the following dba names: UTXI, UTXI Co. Ltd., Khanh Loi Seafood Factory, and Hoang Phuong Seafood Factory. Lastly, Minh Hai Export Frozen Seafood Processing Joint-Stock Company argues that the Department omitted the abbreviation "Minh Hai Export-Jostoco" from the *Final Results*.

Amended Final Results of Review

A ministerial error, as defined in section 751(h) of the Act, includes "errors in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other type of unintentional error which the {Secretary} considers ministerial." See also 19 CFR 351.224(f). After analyzing the SR respondents' allegations, we have determined, in accordance with section 751(h) of the Act and 19 CFR 351.224(e), that the Department made a ministerial error in the *Final Results* by unintentionally assigning to Thuan Phuoc Seafoods and Trading Corporation an abbreviated form of its name, "Thuan Phuoc JSC," that was not used by the company as a trade name.² Therefore, we are amending the final results of administrative review of certain frozen warmwater shrimp from Vietnam for the period February 1, 2007, through January 31, 2008, to remove "Thuan Phuoc JSC" as an abbreviation of SR respondent, Thuan Phuoc Seafoods and Trading Corporation. Although we disagree that we made ministerial errors with respect to the other allegations referenced above, for clarification we will include dba names in these amended final results. For further explanation of our reasons, see *Amended Final Memo*. The weighted-average percentage dumping margins have not changed from the *Final Results* for any companies:

¹ Thuan Phuoc, Frozen Seafoods Factory No. 32, Frozen Seafoods Pty, Frozen Seafoods Factory 32, Seafoods and Foodstuff Factory, and My Son Seafood Factory.

² For a detailed explanation, see "Memorandum to James C. Doyle, Director, Office 9, through Catherine Bertrand, Program Manager, Office 9, from Irene Gorelik, Senior Analyst, Office 9; Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Allegation of Ministerial Error in the Final Results of the Third Administrative Review," dated concurrently with the signature date of this notice ("Amended Final Memo"). In the *Amended Final Memo*, the Department also addresses the ministerial error allegations brought by Minh Hai Export Frozen Seafood Processing Joint-Stock Company, Soc Trang Seafood Joint Stock Company, Bac Lieu Fisheries Joint Stock Company, and UTXI Aquatic Products Processing Corporation.

² The original due date for the preliminary results, October 31, 2009, is a Saturday.
