

*Request.* In support of its Request, the Postal Service filed the following materials: (1) A redacted version of the Governors' Decision, originally filed in Docket No. MC2009-25, authorizing certain Priority Mail contracts;<sup>2</sup> (2) a redacted version of the contract;<sup>3</sup> (3) a requested change in the Competitive Product List;<sup>4</sup> (4) a Statement of Supporting Justification as required by 39 CFR 3020.32;<sup>5</sup> (5) a certification of compliance with 39 U.S.C. 3633(a);<sup>6</sup> and (6) an application for nonpublic treatment of the materials filed under seal.<sup>7</sup>

In the Statement of Supporting Justification, Mary Prince Anderson, Acting Manager, Sales and Communications, Expedited Shipping, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.*, Attachment D. Thus, Ms. Anderson contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. *Id.*

*Related contract.* A redacted version of the specific Priority Mail Contract 19 is included with the Request. The contract will become effective on the day that the Commission provides all necessary regulatory approvals. It is terminable upon 30 days notice by a party, but could continue for 3 years with annual adjustments. The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a)(1). *See id.*, Attachment D. The Postal Service will not provide the shipper with customized pricing for eligible Priority Mail items mailed by the shipper.

The Postal Service filed much of the supporting materials, including the specific Priority Mail Contract 19, under seal. In its Request, the Postal Service maintains that the contract and related financial information, including the customer's name and the accompanying analyses that provide prices, terms, conditions, cost data, and financial projections should remain under seal. *Id.* at 2. It also requests that the Commission order that the duration of such treatment of all customer identifying information be extended

indefinitely, instead of ending after 10 years. *Id.*, Attachment F at 1 and 7.
