

serve any aeronautical purpose at the airport. In exchange for the subject land, Amundson will transfer the terminal building and hangar to the Authority, which facilities are presently located at the Airport. The exchange will allow the Authority to gain greater control of the facilities located on dedicated airport property. There are no impacts to the Airport and the land is not needed for airport development as shown on the Airport Layout Plan. There are no proceeds expected in connection with the Transfer. Any proceeds from the sale of property are to be used for the capital and operating costs of the airport.

Any person may inspect the request by appointment at the FAA office address listed above. Interested persons are invited to comment on the proposed release from obligations. All comments will be considered by the FAA to the extent practicable.

Issued in Camp Hill, Pennsylvania, October 13, 2009.

[STB Finance Docket No. 35300]

Central Railroad Company of Indianapolis—Lease and Operation Exemption—Norfolk Southern Railway Company

Central Railroad Company of Indianapolis (CERA), a Class III carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to lease and to operate, pursuant to a lease agreement (Agreement) entered into on September 14, 2009, with Norfolk Southern Railway Company (NSR), approximately 15.9 miles of NSR's rail line between milepost RK-154.5, a point just east of the grade crossing at 38th Street, in Gas City, Grant County, IN, and milepost RK-138.6 at the end of the line, at Hartford City, Blackford County, IN (the line).¹ The Agreement also includes operating rights into Goodman Yard, and any sidings or sidetracks owned by NSR that are accessed via the line.

CERA states that there is no provision or agreement that will limit future interchange with a third-party connecting carrier, whether by outright prohibition, per-car penalty, adjustment in the purchase price or rental, positive

economic inducement, or other means. See 49 CFR 1150.43(h).

CERA certifies that its projected annual revenues as a result of this transaction would not exceed those that would qualify it as a Class III rail carrier. However, because its projected annual revenues will exceed \$5 million, CERA also certifies that it has complied with notice requirements of 49 CFR 1150.42(e).

The transaction is scheduled to be consummated on December 1, 2009, at least 60 days after CERA's certification of the notice requirements of section 49 CFR 1150.42(e).

Pursuant to the Consolidated Appropriations Act, 2008, Public Law No. 110-161, § 193, 121 Stat. 1844 (2007), nothing in this decision authorizes the following activities at any solid waste rail transfer facility: collecting, storing or transferring solid waste outside of its original shipping container; or separating or processing solid waste (including baling, crushing, compacting and shredding). The term "solid waste" is defined in section 1004 of the Solid Waste Disposal Act, 42 U.S.C. 6903.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than November 24, 2009 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 35300, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Louis E. Gitomer, Law Offices of Louis E. Gitomer, LLC, 600 Baltimore Avenue, Suite 301, Towson, MD 21204.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: October 16, 2009.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

[Docket No. NHTSA-2009-0168]

Technical Report on Fatalities in Frontal Crashes Despite Seat Belts and Air Bags

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

ACTION: Request for comments on technical report.

SUMMARY: This notice announces NHTSA's publication of a Technical Report reviewing and evaluating the performance in frontal crashes of air-bag-equipped, late-model passenger cars, pickup trucks, SUVs and vans and the protection they offer to drivers and front-seat passengers who wear seat belts. The report's title is: *Fatalities in Frontal Crashes Despite Seat Belts and Air Bags*.

DATES: Comments must be received no later than February 18, 2010.

ADDRESSES: *Report:* The technical report is available on the Internet for viewing on line in PDF format at <http://www-nrd.nhtsa.dot.gov/Pubs/811102.PDF>. You may obtain a copy of the report free of charge by sending a self-addressed mailing label to Charles J. Kahane (NVS-431), National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590.

Comments: You may submit comments [identified by Docket Number NHTSA-2009-0168] by any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

- *Fax:* 1-202-493-2251.

SUPPLEMENTARY INFORMATION: Why are people still dying in frontal crashes despite seat belt use, air bags, and the crashworthy structures of late-model vehicles? Statistical analyses show the combination of seat belt use and air bags is highly effective, reducing fatality risk by 61 percent compared to an unbelted occupant of a vehicle not equipped with air bags—but 61 percent is not 100 percent. To address the question, an interdisciplinary NHTSA team reviewed every case of a frontal fatality to a belted driver or right-front passenger in a model year 2000 or newer vehicle in the Crashworthiness Data System (CDS) of the National Automotive Sampling System through calendar year 2007. Aside from a substantial proportion of these 122 crashes that are just exceedingly severe, the main reason people are still dying is because so many crashes involve poor structural engagement between the vehicle and its collision partner: corner impacts, oblique crashes, impacts with narrow objects, and underrides. By contrast, few if any of these 122 fatal crashes were full-frontal or offset-frontal impacts with good structural engagement, unless the crashes were of extreme severity or the occupants exceptionally vulnerable.

Procedural Matters

How Can I Influence NHTSA's Thinking on This Subject?

NHTSA welcomes public review of the evaluation plan and invites the reviewers to comment about the selection, priority, and schedule of the regulations to be evaluated. The agency is interested in learning of any additional data that may be useful in the evaluations. NHTSA will submit to the Docket a response to the comments and, if appropriate, will supplement or revise the evaluation plan.

How Do I Prepare and Submit Comments?

Your comments must be written and in English. To ensure that your

comments are correctly filed in the Docket, please include the Docket number of this document (NHTSA-2009-0168) in your comments.

Your primary comments must not be more than 15 pages long (49 CFR 553.21). However, you may attach additional documents to your primary comments. There is no limit on the length of the attachments.

Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477) or you may visit <http://www.regulations.gov>.

Please send two paper copies of your comments to Docket Management, fax them, or use the Federal eRulemaking Portal. The mailing address is U.S. Department of Transportation, Docket Management Facility, M-30, West Building, Ground Floor, Rm. W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590. The fax number is 1-202-493-2251. To use the Federal eRulemaking Portal, go to <http://www.regulations.gov> and follow the online instructions for submitting comments.

We also request, but do not require you to send a copy to Charles J. Kahane, Chief, Evaluation Division, NVS-431, National Highway Traffic Safety Administration, Room W53-312, 1200 New Jersey Avenue, SE., Washington, DC 20590 (or e-mail them to chuck.kahane@dot.gov). He can check if your comments have been received at the Docket and he can expedite their review by NHTSA.

How Can I Be Sure that My Comments Were Received?

If you wish Docket Management to notify you upon its receipt of your comments, enclose a self-addressed, stamped postcard in the envelope containing your comments. Upon receiving your comments, Docket Management will return the postcard by mail.

How Do I Submit Confidential Business Information?

If you wish to submit any information under a claim of confidentiality, send three copies of your complete submission, including the information you claim to be confidential business information, to the Chief Counsel, National Highway Traffic Safety Administration, 1200 New Jersey

Avenue, SE., Washington, DC 20590. Include a cover letter supplying the information specified in our confidential business information regulation (49 CFR Part 512).

In addition, send two copies from which you have deleted the claimed confidential business information to U. S. Department of Transportation, Docket Management Facility, M-30, West Building, Ground Floor, Rm. W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, or submit them via the Federal eRulemaking Portal.

Will the Agency Consider Late Comments?

In our response, we will consider all comments that Docket Management receives before the close of business on the comment closing date indicated above under **DATES**. To the extent possible, we will also consider comments that Docket Management receives after that date.

Please note that even after the comment closing date, we will continue to file relevant information in the Docket as it becomes available. Further, some people may submit late comments. Accordingly, we recommend that you periodically check the Docket for new material.

How Can I Read the Comments Submitted by Other People?

You may read the materials placed in the docket for this document (e.g., the comments submitted in response to this document by other interested persons) at any time by going to <http://www.regulations.gov>. Follow the online instructions for accessing the dockets. You may also read the materials at the Docket Management Facility by going to the street address given above under **ADDRESSES**. The Docket Management Facility is open between 9 a.m. and 5 p.m. Eastern Time, Monday through Friday, except Federal holidays.

Authority: 49 U.S.C. 30111, 30168; delegation of authority at 49 CFR 1.50 and 501.8.
