

AWTS. Companies are selected for this survey using a stratified random sample based on annual sales size with a company's probability of selection increasing with their annual sales size. We will furnish report forms to the firms covered by this survey in January 2010 and will require their submissions within 30 days after receipt. The sample of firms selected will provide, with measurable reliability, statistics on annual sales, e-commerce sales, purchases, total operating expenses, year-end inventories held both inside and outside the United States, commissions, total operating revenue, and gross selling value, for 2009.

Sections 182, 224, and 225 of title 13 of the United States Code authorizes the Census Bureau to take surveys that are necessary to furnish current data on the subjects covered by the major censuses. As part of this authorization, the Census Bureau conducts the AWTS to provide continuing and timely national statistics data on wholesale trade activity for the period between economic censuses. For 2009, the survey will, as it has in the past, operate as a sample of wholesale distributors; manufacturers' sales branches and offices; and agent, brokers, and electronic markets. The data collected in this survey will be similar to that collected in the past and within the general scope and nature of those inquiries covered in the economic census. These data are collected to provide a sound statistical basis for the

formation of policy by various government agencies. These data will be available for use for a variety of public and business needs such as economic and market analysis, company performance, and forecasting future demand.

Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to requirements of the Paperwork Reduction Act (PRA) unless that collection of information displays a current valid Office of Management and Budget (OMB) control number. In accordance with the PRA, 44 U.S.C. 3501–3521, OMB approved the AWTS under OMB control number 0607–0195.

Based upon the foregoing, I have directed that the annual survey be conducted for the purpose of collecting these data.

Dated: October 28, 2009.

Robert M. Groves,

Director, Bureau of the Census.
