

materials in an alternate format, must notify the person listed under **FOR FURTHER INFORMATION CONTACT** two weeks before the scheduled meeting date. Although the BLM will attempt to meet a request received after that date, the requested auxiliary aid or service may not be available because of insufficient time to arrange it.

The Federal Advisory Committee Management Regulations [41 CFR 101–6.1015(b),] require BLM to publish in the **Federal Register** notice of a meeting 15 days prior to the meeting date.

## II. Public Comment Procedures

Members of the public may make oral statements to the Advisory Board on December 7, 2009 at the appropriate point in the agenda. This opportunity is anticipated to occur at 3 p.m., local time. Persons wishing to make statements should register with the BLM by noon on December 7, 2009 at the meeting location. Depending on the number of speakers, the Advisory Board may limit the length of presentations. At previous meetings, presentations have been limited to three minutes in length, however this time may vary. Speakers should address the specific wild horse and burro-related topics listed on the agenda. Speakers must submit a written copy of their statement to the address listed in the **ADDRESSES** section or bring a written copy to the meeting.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, speakers should submit two copies of their written comments where feasible. The BLM will not necessarily consider comments received after the time indicated under the **DATES** section or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, the BLM will make them available in their entirety, including your name and address. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that

your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM will release all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, in their entirety, including names and addresses.

### Electronic Access and Filing Address

Speakers may transmit comments electronically via the Internet to: *ramona\_delorme@blm.gov*. Please include the identifier “WH&B” in the subject of your message and your name and address in the body of your message.

Dated: December 4, 2009.

**BILLING CODE P****DEPARTMENT OF JUSTICE**

**Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act**

Notice is hereby given that on November 2, 2009, a proposed Consent Decree in *United States v. Township of Brick, New Jersey*, Civil Action No. 3:09-cv-05592-FLW-TJB, was lodged with the United States District Court for the District of New Jersey.

In this action, the United States seeks, *inter alia*, injunctive relief and cost recovery with respect to the Brick Township Landfill Superfund Site in Ocean County, New Jersey, under the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. 9601, *et seq.* The complaint in this matter alleges that the Township of Brick was/is the past/current owner and/or operator of the Site, during which time hazardous substances were disposed and released there. The Consent Decree requires the Township of Brick to reimburse the United States all of its past response costs in the amount of \$246,833; pay the United States all future response costs; and perform the remedy at the Site, which includes the installation of a solid waste landfill cap and implementation a groundwater monitoring program.
