

current draft version. The current draft version also:

- Incorporates the amendments made to section 16 of the IRA, 25 U.S.C. 476 (48 Stat. 984), as amended by the Act of November 1, 1988 (Pub. L. 100–581, 102 Stat. 2938), which established time frames within which the Secretary of the Interior must call and conduct Secretarial elections;
- Reflects the amendments made to section 17 of the IRA by the Act of May 24, 1990 (Pub. L. 101–301, 104 Stat. 207) under which additional tribes may petition for charter of incorporation and removes the requirement of a Secretarial election to ratify new charters;

- Reflects the addition of two new subsections to section 16 of the IRA by the Technical Corrections Act of 1994 (Pub. L. 103–363, 108 Stat. 707), which eliminates distinctions between Indians reorganized as historical tribes and those reorganized as communities of adult Indians;
- Includes language clarifying that an IRA tribe may amend its constitution to remove Secretarial approval of future amendments as indicated by the new subsection to Section 16 of the IRA with the enactment of the Native American Technical Corrections Act of 2004 (Pub. L. 106–179, 118 Stat. 453);

- Provides guidelines for the approval or disapproval of charters by the Secretary; and
- Corrects demonstrated weaknesses and clarifies confusing language in the existing regulations.

A consultation booklet containing the current draft version of the rule will be available for the meetings and will be distributed to federally recognized Indian tribes and BIA regional and agency offices.
