

Product List.¹ The Postal Service asserts that Priority Mail Contract 23 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). The Postal Service states that prices and classification underlying this contract are supported by Governors' Decision No. 09-06 in Docket No. MC2009-25. *Id.* at 1. The Request has been assigned Docket No. MC2010-9.

The Postal Service contemporaneously filed a contract related to the proposed new product pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. The contract has been assigned Docket No. CP2010-9.

Request. In support of its Request, the Postal Service filed the following materials: (1) A redacted version of the Governors' Decision, originally filed in Docket No. MC2010-25, authorizing certain Priority Mail contracts;² (2) a redacted version of the contract;³ (3) a requested change in the Competitive Product List;⁴ (4) a Statement of Supporting Justification as required by 39 CFR 3020.32;⁵ (5) a certification of compliance with 39 U.S.C. 3633(a);⁶ and (6) an application for non-public treatment of the materials filed under seal.⁷

In the Statement of Supporting Justification, Mary Prince Anderson, Manager, Sales and Communications, Expedited Shipping, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.*, Attachment D. Thus, Ms. Anderson contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. *Id.*

Related contract. A redacted version of the specific Priority Mail Contract 23 is included with the Request. The contract will become effective on the day that the Commission provides all necessary regulatory approvals. It is terminable upon 30 days' notice by either party, but could continue for up to 1 year. The Postal Service represents

that the contract is consistent with 39 U.S.C. 3633(a). *See id.*, Attachment D. The Postal Service will provide Priority Mail packaging for items mailed by the shipper.

The Postal Service filed much of the supporting materials, including the specific Priority Mail Contract 23, under seal. In its Request, the Postal Service maintains that the contract and related financial information, including the customer's name and the accompanying analyses that provide prices, terms, conditions, cost data, and financial projections should remain under seal. *Id.* at 2. It also requests that the Commission order that the duration of such treatment of all customer identifying information be extended indefinitely, instead of ending after 10 years. *Id.*, Attachment F, at 1 and 7.

II. Notice of Filings

The Commission establishes Docket Nos. MC2010-9 and CP2010-9 for consideration of the Request pertaining to the proposed Priority Mail Contract 23 product and the related contract, respectively. In keeping with practice, these dockets are addressed on a consolidated basis for purposes of this order; however, future filings should be made in the specific docket in which issues being addressed pertain.

Interested persons may submit comments on whether the Postal Service's filings in the captioned dockets are consistent with the policies of 39 U.S.C. 3632, 3633, or 3642 and 39 CFR part 3015 and 39 CFR 3020, subpart B. Comments are due no later than November 17, 2009. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Paul L. Harrington to serve as Public Representative in these dockets.

III. Supplemental Information

The Request does not indicate whether the instant contract is intended to replace an existing contract. The Postal Service should clarify the Request, identifying, if appropriate, the contract being terminated. Clarification is due no later than November 13, 2009.

IV. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket Nos. MC2010-9 and CP2010-9 for consideration of the matter raised in each docket.

2. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as officer of the Commission (Public Representative) to represent the

interests of the general public in these proceedings.

3. Clarification of the Request is due no later than November 13, 2009.

4. Comments by interested persons in these proceedings are due no later than November 17, 2009.

5. The Secretary shall arrange for publication of this order in the **Federal Register**.

By the Commission.

Judith M. Grady,
Acting Secretary.

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Inflation Adjustments to Liability Limits Governed by the Montreal Convention Effective December 30, 2009

AGENCY: Office of the Secretary, Department of Transportation.

ACTION: Notice.

SUMMARY: The Department is publishing guidance to U.S. and certain foreign air carriers on inflation adjustments to liability limits of air carriers and foreign air carriers under the Montreal Convention.

FOR FURTHER INFORMATION CONTACT: Nicholas Lowry, Attorney, Office of Aviation Enforcement and Proceedings (C-70), 1200 New Jersey Ave., SE., Washington, DC 20590, (202) 366-9349.

SUPPLEMENTARY INFORMATION: This notice provides guidance to U.S. and certain foreign air carriers on inflation adjustments to liability limits of air carriers and foreign air carriers under the Montreal Convention (Convention).¹

¹ Convention for the Unification of Certain Rules for International Carriage by Air, done at Montreal on May 28, 1999.

The adjustments affect limits on liability for damages for passenger death or injury, delay in passenger's arrival, and the loss, delay or damage to baggage or cargo, increasing those limits by approximately 13 percent and will be effective in December 2009. The U.S. and foreign air carriers affected by these changes to the Convention include those providing international carriage between countries that, like the United States, are parties to the Convention, and all who provide round trip foreign air transportation that originates and terminates in the United States.

The liability limits are those set out in Articles 21 and 22 of the Montreal Convention. Under Article 24 of the Convention, ICAO is to review those limits every five years in light of inflation that has occurred during that period. In a note of June 30, 2009, the Secretary General of ICAO advised parties to the Convention of revisions required pursuant to this review. These revisions are as follows, stated in Special Drawing Rights (SDRs):² for destruction, loss, damage or delay of cargo 19 per kilogram (currently 17); for destruction, loss, damage, or delay of baggage, per passenger, 1,131 (currently 1,000); for delay in carriage of passengers, 4,694 (currently 4,150); "strict liability" for death or bodily injury to passengers, 113,100 (currently 100,000). The revised amounts reflect inflation between 2003 and 2008 in the countries whose currencies comprise the SDR.

Pursuant to the terms of Article 24, the increased limits will take effect six months following the notice referred to above, or December 30, 2009. Carriers should, therefore, revise their contracts of carriage, tariffs, required notices, and practices to conform to the Convention's requirements. Failure to implement in a timely manner the revised liability limits and required notices would, in the view of the Aviation Enforcement Office, constitute an unfair or deceptive business practice and unfair method of competition in violation of 49 U.S.C. 41712. This disclosure guidance, it should be noted, also extends to ticket agents and indirect air carriers. Questions regarding this notice may be addressed to the Office of Aviation Enforcement and Proceedings (C-70), U.S. Department of Transportation, 1200 New Jersey Ave., SE., Washington, DC 20590.

² The SDR, an international reserve asset, is a defined basket of major currencies periodically reviewed by the International Monetary Fund to reflect the relative importance of the constituent currencies. As of October 28, 2009, the U.S. dollar value of the SDR was \$1.58.
