Background: In his letter the USTR requested that the Commission provide three reports during the next 12 months relating to small and medium-sized enterprises (SMEs). In this notice the Commission is instituting the second of three investigations under section 332(g) for the purpose of preparing the second report, which is to be transmitted to the USTR by July 6, 2010. The Commission published notice of institution of the

first investigation, investigation No. 332-508, in the **Federal Register** of October 28, 2009 (74 FR 55581). As requested, in the second report (investigation No. 332-509) the Commission will:

(1) Assist in analyzing the performance of U.S. SME firms in exporting compared to SMEs exporting in other leading economies. As one way of comparing the performance of U.S. SMEs to those in other countries, the Commission will compare the exporting activity of SMEs in the United States and the European Union (EU), and analyze the distinctions between U.S. and EU firms in terms of sectoral composition, firm characteristics, and exporting behavior.

(2) Identify barriers to exporting noted by U.S. SMEs and strategies used by SMEs to overcome special constraints and reduce trade costs.

(3) Identify the benefits to SMEs from increased export opportunities, including free trade agreements and other trading arrangements.

To best aid the Commission in gathering information for the report, the Commission is seeking information in response to the following questions:

- What are the most significant constraints that U.S. SMEs face in their efforts to export?
- If SMEs have been successful in overcoming those constraints, what strategies have they adopted?
- What particular benefits do SMEs believe they have received from increased export opportunities including those from free trade agreements and other trading arrangements; which trade agreements or other arrangements have been most beneficial?

The USTR requested that the Commission deliver the second report by July 6, 2010. The Commission shortly expects to institute a third investigation, investigation No. 332-510, *Small and Medium-Sized Enterprises:*

Characteristics and Performance, for the purpose of preparing the third report. In that report the Commission will, among other things, examine U.S. SMEs engaged in providing services, including the characteristics of firms that produce tradable services, growth in services exports, and the differences between SME and large services exporters. It will also examine U.S. goods and services exports by SMEs and identify trade barriers that may disproportionately affect SME export performance, as well as possible linkages between exporting and SME performance. In addition, the report will identify how data gaps might be overcome to enhance our understanding of SMEs in service sector

exports. The USTR requested that the Commission transmit this third report by October 6, 2010.

Public Hearing: The Commission will hold a joint public hearing in connection with this investigation and investigation No. 332-510 at the U.S. International Trade Commission Building, 500 E Street, SW., Washington, DC, beginning at 9:30 a.m. on Wednesday, February 9, 2010 (and continuing on February 10, 2010, if needed). Requests to appear at the public hearing should be filed with the Secretary no later than 5:15 p.m., January 26, 2010, in accordance with the requirements in the "Submissions" section below. Persons wishing to appear should indicate in their request to appear whether they plan to provide testimony with respect to investigation No. 332-509, investigation No. 332-510, or both investigations. All pre-hearing briefs and statements should be filed not later than 5:15 p.m., January 28, 2010; and all post-hearing briefs and statements responding to matters raised at the hearing should be filed not later than 5:15 p.m., February 23, 2010. In the event that, as of the close of business on January 26, 2010, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or non-participant may call the Office of the Secretary (202-205-2000) after January 26, 2010, for information concerning whether the hearing will be held. The Commission is also considering holding additional hearings in Portland, Oregon and St. Louis, Missouri. Notice of the time, date, and place of those hearings would be published at a later date.

Written Submissions: In lieu of or in addition to participating in the hearing, interested parties are invited to file written submissions concerning this investigation. All written submissions should be addressed to the Secretary, and all such submissions (other than pre- and post-hearing briefs and statements) should be received not later than 5:15 p.m., March 26, 2010. All written submissions must conform with the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8). Section 201.8 requires that a signed original (or a copy so designated) and fourteen (14) copies of each document be filed. In the event that confidential treatment of a document is requested, at least four (4) additional copies must be filed, in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). The Commission's rules

authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Office of the Secretary (202–205–2000).

Any submissions that contain confidential business information must also conform with the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information be clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

In his request letter, the USTR stated that his office intends to make the Commission's reports available to the public in their entirety, and asked that the Commission not include any confidential business information or national security classified information in the reports that the Commission transmits to his office. Any confidential business information received by the Commission in this investigation and used in preparing this report will not be published in a manner that would reveal the operations of the firm supplying the information.

By order of the Commission.

Issued: November 25, 2009.

William R. Bishop,

Acting Secretary to the Commission.

BILLING CODE P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–644]

In the Matter of Certain Composite Wear Components and Products Containing Same; Notice of Issuance of Limited Exclusion Order and Cease and Desist Order; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: The United States International Trade Commission hereby

provides notice that it has determined to issue a limited exclusion order and cease and desist order and terminate the investigation.

FOR FURTHER INFORMATION CONTACT: Michael K. Haldenstein, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205–3041. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: This investigation was instituted on April 25, 2008, based on a complaint filed by Magotteaux International S/A and Magotteaux, Inc. (collectively, "Magotteaux"). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain composite wear components and products containing the same that infringe claims 12–13 and 16–21 of U.S. Patent No. RE 39,998 ("the '998 patent"). The complaint named Fonderie Acciaierie Rioale S.P.A. ("FAR"), AIA Engineering Ltd., and Vega Industries (collectively, "AIAE Respondents") as respondents. FAR was subsequently terminated from the investigation on the basis of a settlement agreement, leaving the AIAE Respondents as the only remaining respondents.

On May 8, 2009, the ALJ issued an ID finding the AIAE Respondents in default pursuant to Commission Rules 210.16(a)(2) and 210.17, 19 CFR 210.16(a)(2) and 210.17. On July 7, 2009, the Commission determined not to review the ID and indicated that, in addition to the ALJ's finding of violation pursuant to Rule 210.17, the Commission presumes the facts alleged in the complaint to be true with respect to the AIAE Respondents. The Commission also determined to waive Commission Rule 210.42(a)(ii), which,

unless the Commission orders otherwise, requires that the ALJ issue a recommended determination on remedy and bonding in conjunction with any final initial determination concerning violation of section 337. The Commission encouraged the parties to the investigation, interested government agencies, and any other interested parties to file written submissions on the issues of remedy, the public interest, and bonding. The parties to the investigation and the IA filed submissions and response submissions concerning remedy, the public interest, and bonding on July 22, 2009, and July 30, 2009, respectively. No other parties filed submissions.

Having examined the record in this investigation, including the submissions on remedy, the public interest, and bonding and responses thereto, the Commission has determined that the appropriate form of relief is a limited exclusion order and a cease and desist order.

The limited exclusion order prohibits the unlicensed entry for consumption of composite wear components and products containing same that are covered by one or more of claims 12–13 and 16–21 of the '998 patent and that are manufactured abroad by or on behalf of, or are imported by or on behalf of, AIA Engineering Limited or Vega Industries or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

The cease and desist order covers products that infringe claims 12–13 and 16–21 of the '998 patent and is directed to defaulting domestic respondent Vega Industries and any of its principals, stockholders, officers, directors, employees, agents, licensees, distributors, controlled (whether by stock ownership or otherwise) and majority owned business entities, successors, and assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. 1337(d) and (f) do not preclude issuance of the aforementioned remedial orders, and that the bond during the Presidential period of review shall be set at 100 percent of the entered value for any covered composite wear components and products containing same.

The authority for the Commission's determinations is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.49–210.50 of the Commission's Rules of Practice and Procedure (19 CFR 210.49–210.50).

By order of the Commission.
