SUPPLEMENTARY INFORMATION:

Background and Purpose

The Coast Guard has revised the Merchant Mariner Credential Medical Evaluation Report (CG-719 K) and the Merchant Mariner Evaluation of Fitness for Entry Level Ratings (CG-719 K/E) forms and announces their availability to the public. These forms are used to facilitate obtaining objective medical information, which will assist the Coast Guard in making accurate and timely fit-for-duty determinations in order to reduce maritime safety risks. Please note that these versions of the forms have been approved for use by the Office of

Management and Budget (OMB) and have been assigned OMB Control Number 1625-0040.

The CG-719 K/E form should be used only by mariners seeking an entry level merchant mariner credential. This form is limited to applicants for the following rating endorsements: Ordinary Seaman, Wiper, or Steward's Department (food handler). The CG-719K form should be used for all other endorsement applications.

These forms more clearly align the merchant mariner credentialing process with the policies set forth by Navigation and Vessel Inspection Circular (NVIC) 04-08, *Medical and Physical Evaluation Guidelines for Merchant Mariner Credentials*. (The NVIC is available for viewing at <http://www.uscg.mil/hq/cg5/nvic/2000s.asp#2008>.) Enclosure (3) to the NVIC provides guidance on use of the forms, which assist the Coast Guard in obtaining objective medical evidence of an applicant's physical condition as it relates to their ability to perform duties as a merchant mariner. Proper use of these forms as guided by NVIC 04-08 should lead to reduced processing times for mariners' applications.

Implementation Timeline

These forms are available at the NMC Web site (see **ADDRESSES** above). The Coast Guard is working to create both a printable user guide and to embed instructions in the electronic version of the form in order to assist both the mariner and physicians in completing the forms.

The forms are now available for use. Physical exams completed on or after January 1, 2010 must be on the new forms, Rev (01/09). Physical exams completed and signed prior to January 1, 2010, will continue to be accepted with applications submitted after that date; however, they must be dated within one year of application.

This notice is issued under authority of 5 U.S.C. 552(a).

Dated: November 24, 2009.
