**SUPPLEMENTARY INFORMATION:**

I. *Background*: This information collection provides a method for the Wage and Hour Division (WHD) of the U.S. Department of Labor (DOL) to obtain information from complainants regarding alleged violations of the labor standards the agency administers and enforces. The law of most general application regarding wages and hours of work is the Fair Labor Standards Act (FLSA), 29 U.S.C. 201 *et seq.* FLSA section 11(a) provides that the Secretary of Labor may investigate and gather data regarding the wages, hours, or other conditions and practices of employment in any industry subject to the FLSA, and may enter and inspect such places and such records (and make such transcriptions thereof), question such employees, and investigate such facts, conditions, practices, or matters deemed necessary or appropriate to determine whether any person has violated any provision of the FLSA. 29 U.S.C. 211(a).

Other Federal laws the WHD administers provide similar authority. These Acts include the: Walsh-Healey Public Contracts Act (41 U.S.C. 38); McNamara-O'Hara Service Contract Act (41 U.S.C. 353(a)); Davis-Bacon Act (40 U.S.C. 3141 *et seq.*, pursuant to Reorganization Plan No. 14 of 1950, and Related Acts); Consumer Credit Protection Act (15 U.S.C. 1676); Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1862(a)); Employee Polygraph Protection Act (29 U.S.C. 2004(a)(3)); Family and Medical Leave Act (29 U.S.C. 2616(a)); Immigration and Nationality Act H-2A program (8 U.S.C. 1188(g)); and the Immigration and Nationality Act H-1C program (8 U.S.C. 1182(m)(2)(E)(ii)). The regulatory provisions authorizing the filing of complaints under these laws and how the agency acts upon the concerns can be found at 29 CFR 4.191, 5.6, 500.1(e), 501.1(c), 501.5, 801.7(a)(3), 825.401; 41 CFR 50-201.1202; and 20 CFR 655.1200(b).

WHD staff use Form WH-3 as a guide for obtaining optional information from complainants (e.g., current and former

employees, unions, and competitor employers) about alleged employer violations of the labor standards provisions of the above-cited Acts. Complainants generally provide the optional information requested on the form to WHD staff over the telephone or in-person. Where the information provided does not support a potential WHD enforcement action, complainants are advised and referred to the appropriate agency for further assistance. When the WHD schedules a complaint-based investigation, the agency makes the completed Form WH-3 or its equivalent part of the investigation case file. The form is printed in both English and Spanish.

II. *Review Focus*: The DOL is particularly interested in comments which:

- \* Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- \* Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- \* Enhance the quality, utility and clarity of the information to be collected; and

- \* Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions*: The DOL seeks the approval of the extension of this information collection in order to ensure complainants have a means for providing information to the WHD regarding alleged employer violations of the various labor standards provisions the WHD administers and to allow the WHD to carry out its enforcement responsibilities.
