BILLING CODE 4140-01-M

DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Requirement for Persons Making Payment by Check to CBP To Provide Their Taxpayer Identifying Number

AGENCY: Customs and Border Protection, Department of Homeland Security.

ACTION: General notice.

SUMMARY: This notice announces that all persons making payment to Customs and Border Protection (CBP) by check must provide their Taxpayer Identifying Number (TIN) when paying CBP. The TIN should be written on the face of the check. Providing the TIN on the face of the check will facilitate payment processing.

DATES: *Effective Date:* December 4, 2009.

FOR FURTHER INFORMATION CONTACT: Nanette Voll, Office of Finance, Revenue Division, Customs and Border Protection, Tel.: (317) 614-4458.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to the *Debt Collection Improvement Act of 1996*, 31 U.S.C. 7701(c), persons "doing business" with Federal agencies, which includes persons engaging in activities that may require making payments to Customs and Border Protection (CBP), are required by law to provide their Taxpayer Identifying Number (TIN) to the agency. "Taxpayer identifying number" is defined in 31 U.S.C. 7701(a)(2) as the identifying number required under section 6109 of the Internal Revenue Code of 1986 (26 U.S.C. 6109). Section 6109(d) provides that a social security account number constitutes the taxpayer identifying number for purposes of Title 26, unless otherwise specified by the Secretary of the Treasury. It is further noted that the Internal Revenue Service regulations, at 26 CFR 301.7701-12, indicate that an employer identification number is a taxpayer identifying number for purposes of 26 U.S.C. 6109.

This notice announces that all persons making payment to the agency, by any type of check and for any amount, should include the requisite TIN, either the social security account number or employer identification number, on the face of the submitted checks. Submission of TIN data in this manner will facilitate payment processing using Paper Check Conversion Over the Counter [PCC OTC] software. PCC OTC has been used by CBP since 2006 to scan checks submitted for the payment of customs

charges. The scanned images are maintained in a database by Financial Management Services, U.S. Department of the Treasury, and a legally sufficient substitute image of the check is transmitted through the banking network for payment. Inclusion of TIN on the face of all checks submitted to CBP will ensure that this data is collected and processed in a uniform and secure manner.

BILLING CODE P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5280-N-47]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions

or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: COAST GUARD: Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St., SW., Stop 7901, Washington, DC 20314; (202) 475-5609; COE: Mr. Scott Whiteford, Army Corps of Engineers, Real Estate, CEMP-CR, 441 G Street, NW., Washington, DC 20314; (202) 761-5542; ENERGY: Mr. Mark Price, Department of Energy, Office of Engineering & Construction Management, MA-50, 1000 Independence Ave, SW., Washington, DC 20585; (202) 586-5422; INTERIOR: Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 1849 C Street, NW., MS2603, Washington, DC 20240; (202) 208-5399; NAVY: Mrs. Mary Arndt, Acting Director, Department of the Navy, Real Estate Services, Naval Facilities Engineering Command, Washington Navy Yard, 1322 Patterson Ave., SE., Suite 1000, Washington, DC 20374-5065; (202) 685-9305; (These are not toll-free numbers).
