[OJP (NIJ) Docket No. 1510]

Vehicular Digital Multimedia Evidence Recording System Standard Special Technical Committee

AGENCY: National Institute of Justice.

ACTION: Notice of request for proposals for certification and testing expertise.

SUMMARY: The National Institute of Justice (NIJ) is in the process of developing a new Vehicular Digital Multimedia Evidence Recording System Standard and corresponding certification program requirements. This work is being performed by a Special Technical Committee (STC), comprised of practitioners from the field, researchers, testing experts, certification experts, and representatives from stakeholder organizations. It is anticipated that the STC members will participate in six 2-day meetings over a 9-month time period with the goal of completing development of the standard and certification program requirements. It is anticipated that STC meetings will begin in mid-January 2010. Travel expenses and per diem will be reimbursed for all STC meetings; however, participation time will not be funded.

NIJ is seeking representatives from (1) certification bodies and (2) test laboratories with experience in programs for similar types of electronic equipment. Additional preferred knowledge includes experience with in-car video systems or experience with law enforcement operations. There are up to four positions to be filled on the STC, and NIJ will accept the first 20 submissions for review.

Interested parties are requested to nominate individuals from their organizations and submit no more than two pages describing the nominee's applicable experience, preferred knowledge, and affiliations with standards development organizations. This information shall be submitted to Frances Scott at frances.scott@usdoj.gov by December 22, 2009. The submissions will be reviewed, and participants will be notified regarding their acceptance by January 8, 2009.
