**Agency Information Collection Activities: Proposed Collection; Comments Requested**

**ACTION:** 30-Day notice of information collection under review: Application and Permit for Importation of Firearms, Ammunition and Implements of War.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 74, Number 200, page 53514 on October 19, 2009, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until January 20, 2010. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public

burden and associated response time, should be directed to The Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of This Information Collection**

(1) *Type of Information Collection:* Extension of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application and Permit for Importation of Firearms, Ammunition and Implements of War.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number:* ATF F 6, Part II (5330.3B). Bureau of Alcohol, Tobacco, Firearms and Explosives.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract: Primary:* Individuals or households. *Other:* Business or other for-profit, Federal Government, State, Local, or Tribal Government. *Abstract:* The information collection is needed to determine whether firearms, ammunition and implements of war are eligible for importation into the United States. The information is used to secure authorization to import such articles. The form is used by persons who are members of the United States Armed Forces.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* There will be an estimated 9,000 respondents, who will complete the form within approximately 30 minutes.

(6) *An estimate of the total burden (in hours) associated with the collection:* There are an estimated 4,500 total burden hours associated with this collection.

## DEPARTMENT OF LABOR

### Office of the Secretary

#### Submission for OMB Review: Comment Request

December 15, 2009.

The Department of Labor (DOL) hereby announces the submission of the following public information collection requests (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. chapter 35). A copy of each ICR, with applicable supporting documentation, including among other things a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained from the RegInfo.gov Web site at <http://www.reginfo.gov/public/do/PRAMain> or by contacting Darrin King on 202-693-4129 (this is not a toll-free number)/e-mail: [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

Interested parties are encouraged to send comments to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Department of Labor—Mine Safety and Health Administration (MSHA), Office of Management and Budget, 725 17th Street, NW., Room 10235, Washington, DC 20503, Telephone: 202-395-4816/ Fax: 202-395-5806 (these are not toll-free numbers), E-mail: [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov) within 30 days from the date of this publication in the **Federal Register**. In order to ensure the appropriate consideration, comments should reference the applicable OMB Control Number (*see below*).

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

*Agency:* Mine Safety and Health Administration.

*Type of Review:* Extension without change of currently approved collection.

*Title of Collection:* Gamma Radiation Exposure Records.

*OMB Control Number:* 1219-0039.

*Form Number:* N/A.

*Estimated Number of Respondents:* 4.

*Estimated Total Annual Burden*

*Hours:* 8.

*Estimated Total Annual Cost Burden (does not include hourly wage costs):* \$0.

*Affected Public:* Business or other for profits (metal and non-metal underground mines).

*Description:* The Department’s regulations at 30 CFR 57.5047 require records to be kept of cumulative individual gamma radiation exposure to ensure that annual exposure does not exceed 5 Rems per year. MSHA uses this information to evaluate the effectiveness of a mine operator’s protection program in demonstrating compliance with the radiation standards. The information collected on cumulative occupational radiation exposures serves two purposes: (1) It aids MSHA in their efforts to protect the health and safety of the workers, and (2) it aids MSHA in developing prevention and control methods for subsequent radiation exposure. For additional information, see related notice published in the **Federal Register** on September 23, 2009, at Vol. 74, page 40610.

*Agency:* Mine Safety and Health Administration.
