**Proposed Extension of the Approval of Information Collection Requirements**

**AGENCY:** Wage and Hour Division, Labor.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95), 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Wage and Hour Division is soliciting comments concerning its proposal to extend the Office of Management and Budget (OMB) approval of the

Information Collection: Fair Labor Standards Act General Recordkeeping and Employer Information Collections Related to Overtime and Youth Employment. A copy of the proposed information collection request can be obtained by contacting the office listed below in the **FOR FURTHER INFORMATION CONTACT** section of this Notice.

**DATES:** Written comments must be submitted to the office listed in the addresses section below on or before February 22, 2010.

**SUPPLEMENTARY INFORMATION:**

I. *Background:* The Fair Labor Standards Act (FLSA), 29 U.S.C. 201, *et seq.*, sets the Federal minimum wage, overtime pay, recordkeeping, and youth employment standards of most general application. See 29 U.S.C. 206; 207; 211; 212. FLSA requirements apply to employers of employees engaged in interstate commerce or in the production of goods for interstate

commerce and of employees in certain enterprises, including employees of a public agency; however, the FLSA contains exemptions that apply to employees in certain types of employment. See 29 U.S.C. 213, *et al.*

FLSA section 11(c) requires all employers covered by the FLSA to make, keep, and preserve records of employees and of wages, hours, and other conditions and practices of employment. See 29 U.S.C. 211(c). A FLSA covered employer must maintain the records for such period of time and make such reports as prescribed by regulations issued by the Secretary of Labor. *Id.*

The DOL has promulgated regulations 29 CFR part 516 to establish the basic FLSA recordkeeping requirements. The DOL has also issued specific sections of regulations 29 CFR parts 505, 519, 520, 525, 530, 547, 548, 549, 551, 552, 553, 570, 575, and 794 to supplement the part 516 requirements and to provide for the creation and maintenance of records relating to various FLSA exemptions and special provisions.

The Wage and Hour Division (WHD) uses this information to determine whether covered employers have complied with various FLSA requirements. Employers use the records to document FLSA compliance, including showing qualification for various FLSA exemptions.

The WHD intends to seek approval to merge several currently approved information collection control numbers related to various FLSA recordkeeping requirements into this collection. This merger will allow the agency to improve its management of FLSA information collection requirements, and this transition will be seamless for respondents. While characterized as a revision, because of the proposal to merge information collection control numbers, this notice proposes no changes to the substantive information collection requirements. The affected OMB control numbers are shown at the end of this notice.

II. *Review Focus:* The DOL is particularly interested in comments which:

\* Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

\* Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

\* Enhance the quality, utility and clarity of the information to be collected; and

\* Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The DOL seeks the approval of the extension of the subject information collection requirements in order to carry out the agency's enforcement responsibilities.

*Type of Review:* Revision and Extension.

*Agency:* Wage and Hour Division.  
*Titles:* Fair Labor Standards Act General Recordkeeping and Employer Information Collections Related to Overtime and Youth Employment.

*OMB Numbers:* 1215-0017, 1215-0083, 1215-0119, 1215-0120, 1215-0121, 1215-0175.

*Agency Numbers:* Form WH-14.
