ACTION: Final rule.

SUMMARY: This rule amends the Export Administration Regulations (EAR) by removing one person from the Entity List (Supplement No. 4 to Part 744). This person is being removed from the Entity List because the End-User Review Committee (ERC) decided to approve this person's request for removal from the Entity List. The Entity List provides notice to the public that certain exports, reexports, and transfers (in-country) to parties identified on the Entity List require a license from the Bureau of Industry and Security (BIS) and that availability of License Exceptions in such transactions is limited.

SUPPLEMENTARY INFORMATION:

Background

The Entity List provides notice to the public that certain exports, reexports, and transfers (in-country) to parties identified on the Entity List require a license from the Bureau of Industry and Security (BIS) and that availability of license exceptions in such transactions is limited. Persons are placed on the Entity List on the basis of certain sections of part 744 (Control Policy: End-User and End-Use Based) of the EAR. BIS first published the Entity List in February 1997 as part of its efforts to inform the public of entities that have engaged in activities that could result in an increased risk of diversion of exported and reexported items to weapons of mass destruction (WMD) programs. Since its initial publication, grounds for identification on the Entity List have expanded to include activities sanctioned by the Department of State and activities contrary to U.S. national security and/or foreign policy interests.

ERC Entity List Decisions

Pursuant to Supplement No. 5 to part 744 (Procedures for End-User Review Committee Entity List Decisions) of the EAR, the ERC, composed of representatives of the Departments of Commerce (Chair), State, Defense, Energy and, where appropriate, the Treasury, makes all decisions to make additions to, removals from or changes

to the Entity List. The ERC makes all decisions to add an entry to the Entity List by majority vote and all decisions to remove or modify an entry by unanimous vote.

The ERC made a determination to remove Neda Kargar, located in the United Arab Emirates, as a result of her request for removal from the listed entity. Based upon the review of the information provided in the removal request in accordance with § 744.16 (Procedure for Requesting Removal or Modification of an Entity List Entry), and further review that was conducted by the ERC's member agencies, the ERC determined that Neda Kargar should be removed from the Entity List. The ERC decision to remove Neda Kargar took into account information indicating that she did not work at the location listed in her entry on the Entity List, her cooperation with the U.S. Government, and as her assurances of future compliance with the EAR. In accordance with § 744.16(c), the Deputy Assistant Secretary for Export Administration has sent written notification to Neda Kargar informing her of the ERC's decision to remove her from the Entity List. This final rule implements the decision to remove this U.A.E. person from the Entity List.

Removal From the Entity List

One person is being removed under this rule as a result of the submission of a formal request for removal based upon the procedures outlined in § 744.16 of the EAR. This entity is located in the United Arab Emirates:

United Arab Emirates

(1) *Neda Kargar*, No. 308, 3rd Floor, Rafi Center, Al Nakheel, Deira, Dubai, U.A.E.

The removal of Neda Kargar from the Entity List (from the U.A.E., as described above) eliminates the existing license requirement in Supplement No. 4 to part 744 for exports, reexports and transfers (in-country) to this person. However, the removal of Neda Kargar from the Entity List does not relieve persons of other obligations under part 744 of the EAR or under other parts of the EAR. Neither the removal of a person from the Entity List nor the removal of Entity List-based license requirements relieves persons of their obligations under General Prohibition 5 in § 736.2(b)(5) of the EAR which provides that, "you may not, without a license, knowingly export or reexport any item subject to the EAR to an end-user or end-use that is prohibited by part 744 of the EAR." Nor do such removals relieve persons of their obligation to apply for export, reexport

or in-country transfer licenses required by other provisions of the EAR. BIS strongly urges the use of Supplement No. 3 to part 732 of the EAR, "BIS's 'Know Your Customer' Guidance and Red Flags," when persons are involved in transactions that are subject to the EAR.

Although the Export Administration Act expired on August 20, 2001, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as extended by the Notice of August 13, 2009 (74 FR 41325 (August 14, 2009)), has continued the Export Administration Regulations in effect under the International Emergency Economic Powers Act.

Rulemaking Requirements

1. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to nor be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by the OMB under control numbers 0694-0088, "Multi-Purpose Application," which carries a burden hour estimate of 58 minutes to prepare and submit form BIS-748. Miscellaneous and recordkeeping activities account for 12 minutes per submission. Total burden hours associated with the Paperwork Reduction Act and Office and Management and Budget control number 0694-0088 are expected to decrease slightly as a result of this rule.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this regulation involves a military or foreign affairs function of the United States. (See 5 U.S.C. 553(a)(1)). Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the

analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are not applicable.
