

handling of odd-lot orders and the odd-lot portions of mixed-lot orders.⁶

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁷ in general, and furthers the objectives of Section 6(b)(5)⁸ in particular in that it is designed, among other things, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Exchange believes that the proposed rule change advances these objectives by providing transparency and certainty with respect to the definitions of terms frequently used in the Exchange's rules and by clarifying the Exchange's treatment of the odd lot component of Mixed Lot Orders.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change will take effect 30 days from the date of filing (or such shorter time as the Commission may designate) pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4¹⁰ thereunder, because the proposal: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from the date of filing, or such shorter time as the Commission may

designate if consistent with the protection of investors and the public interest; *provided* that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the filing date of the proposed rule change.¹¹

Pursuant to Rule 19b-4(f)(6)(iii) under the Act,¹² the Commission may designate a shorter time period if such action is consistent with the protection of investors and the public interest. The Exchange requests that the effective date for the instant rule change be thirty days after the date of filing of this rule change, or such earlier date as the Commission determines.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹³

Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing this proposed rule change to amend NASDAQ IM-1002-1 [sic] to reflect recent changes to a corresponding rule of the Financial Industry Regulatory Authority ("FINRA"). The Exchange will implement the proposed rule change thirty days after the date of the filing. The text of the proposed rule change is available at <http://nasdaqomx.cchwallstreet.com>, on the Commission's Web site at <http://www.sec.gov>, at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Many of NASDAQ's rules are based on rules of FINRA (formerly the National Association of Securities Dealers ("NASD")). During 2008, FINRA embarked on an extended process of moving rules formerly designated as "NASD Rules" into a consolidated FINRA rulebook. In most cases, FINRA has renumbered these rules, and in some cases has substantively amended them. Accordingly, NASDAQ also has initiated a process of modifying its rulebook to ensure that NASDAQ rules corresponding to FINRA/NASD rules continue to mirror them as closely as practicable. In some cases, it is not possible for the rule numbers of NASDAQ rules to mirror corresponding FINRA rules, because existing or

planned NASDAQ rules make use of those numbers. However, wherever possible, NASDAQ plans to update its rules to reflect changes to corresponding FINRA rules.

This filing addresses NASDAQ IM-2110-7 (Interfering With the Transfer of Customer Accounts in the Context of Employment Disputes), which provides that it shall be inconsistent with just and equitable principles of trade for a member or person associated with a member to interfere with a customer's request to transfer his or her account in connection with the change in employment of the customer's registered representative, provided that the account is not subject to any lien for monies owed by the customer or other *bona fide* claim. NASDAQ IM 2110-7 formerly corresponded to NASD IM-2110-7.

In SR-FINRA-2008-052,⁴ FINRA renumbered NASD IM-2110-7 as FINRA Rule 2140 in the Consolidated FINRA Rulebook with only minor changes. Specifically, IM-2110-7 was re-codified, with conforming revisions to establish it as a stand-alone FINRA rule rather than as interpretive material to NASD Rule 2110 (Standards of Commercial Honor and Principles of Trade).

NASDAQ is proposing to re-number IM 2110-7 as NASDAQ Rule 2140 and to make conforming changes to the text of IM 2110-7 that mirror the changes made by FINRA. To accommodate new rule 2140, NASDAQ proposes to re-number existing Rule 2140 (Restrictions on Affiliation) as NASDAQ Rule 2160, without modifying the rule text itself. This will ensure that the NASDAQ Rule 2140 remains consistent with FINRA Rule 2140 for regulatory purposes and administrative ease. The proposal will have no substantive impact on NASDAQ members.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Sections 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling,

processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed changes will conform NASDAQ IM-2110-7 to recent changes made to a corresponding FINRA rule, to promote application of consistent regulatory standards.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
