

January 23, 2009, because this is the date that suspension of liquidation went into effect for all subject entries of diamond sawblades, pursuant to the January 22, 2009, notification from the United States International Trade Commission ("ITC") that the CIT had sustained the ITC's redetermination of threat of material injury.² The Department provides a complete description of the sequence of events leading up to the issuance of the orders in the *Diamond Sawblades Orders* with references provided for the relevant decisions and notices issued by the ITC, the Department, and the CIT.

Anniversary Month of the Orders

Although the effective date of the orders is January 23, 2009, based on the date of the suspension of liquidation, the Department designates November as the anniversary month for these diamond sawblades orders because this is the month in which the Department published the notice for these orders. In its regulations, the Department defines the anniversary month as the calendar month in which the anniversary of the date of publication of an order or suspension of investigation occurs. See 19 CFR 351.102(b). Therefore, consistent with section 751(a)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(b), the first opportunity to request a review of the above-referenced orders will be in November 2010.

Dated: December 29, 2009.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Availability of Seats for the Hawaiian Islands Humpback Whale National Marine Sanctuary Advisory Council

AGENCY: Office of National Marine Sanctuaries (ONMS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration, Department of Commerce (DOC).

ACTION: Notice and request for applications.

SUMMARY: The ONMS is seeking applications for both primary and alternate members of the following seats on its Hawaiian Islands Humpback Whale National Marine Sanctuary

Advisory Council (council): Native Hawaiians, Fishing, Education, Research, Honolulu County, Hawaii County, Maui County, and Kauai County. Applicants are chosen based upon their particular expertise and experience in relation to the seat for which they are applying; community and professional affiliations; philosophy regarding the protection and management of marine resources; and possibly the length of residence in the area affected by the Sanctuary.

Additionally, for the first time, the ONMS is seeking to fill a non-voting youth/student seat and alternate seat to represent the youth segment of the community, defined as ages 14–17. The interest and enthusiasm of youth under the age of 18 is very important to the sanctuary; these students are our future generation of ocean stewards and leaders. The ONMS wishes to foster and facilitate these links with youth in sanctuary communities and has added a non-voting youth seat to the advisory council. Applicants who are chosen as members should expect to serve 2-year terms, pursuant to the Council's Charter. **DATES:** Applications are due by January 31, 2010.

ADDRESSES: Application kits may be obtained from Joseph Paulin, 6600 Kalaniana'ole Hwy, Suite 301, Honolulu, HI 96825 or Joseph.Paulin@noaa.gov. Completed applications should be sent to the same address. Applications are also available on line at <http://hawaiihumpbackwhale.noaa.gov>.

FOR FURTHER INFORMATION CONTACT: Naomi McIntosh, 6600 Kalaniana'ole Hwy, Suite 301, Honolulu, HI 96825 or Naomi.McIntosh@noaa.gov or 808.397.2651.

SUPPLEMENTARY INFORMATION: The Council was established in March 1996 to assure continued public participation in the management of the sanctuary. Since its establishment, the council has played a vital role in the decisions affecting the Sanctuary surrounding the main Hawaiian Islands.

The council's seventeen voting members represent a variety of local user groups, as well as the general public.

The council is supported by three committees: A Research Committee chaired by the Research Representative, an Education Committee chaired by the Education Representative, and a Conservation Committee chaired by the Conservation Representative, each respectively dealing with matters concerning research, education and resource protection.

The council represents the coordination link between the sanctuary

and the State and Federal management agencies, user groups, researchers, educators, policy makers, and other various groups that help to focus efforts and attention on the humpback whale and its habitat around the main Hawaiian Islands.

The council functions in an advisory capacity to the sanctuary management and is instrumental in helping to develop policies and program goals, and to identify education, outreach, research, long-term monitoring, resource protection and revenue enhancement priorities. The council works in concert with the sanctuary management by keeping him or her informed about issues of concern throughout the sanctuary, offering recommendations on specific issues, and aiding in achieving the goals of the sanctuary within the context of Hawaii's marine programs and policies.

Authority: 16 U.S.C. Sections 1431, *et seq.* (Federal Domestic Assistance Catalog Number 11.429 Marine Sanctuary Program)

Dated: December 20, 2009.

Daniel J. Basta,

Director, Office of National Marine Sanctuaries, National Ocean Service, National Oceanic and Atmospheric Administration.
