**OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE**

[Docket No. WTO/DS399]

**WTO Dispute Settlement Proceeding Regarding United States—Certain Measures Affecting Imports of Certain Passenger Vehicle and Light Truck Tires From China**

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice; request for comments.

**SUMMARY:** The Office of the United States Trade Representative ("USTR") is providing notice that on December 9, 2009 the United States received a request from China for the establishment of a dispute settlement panel under the *Marrakesh Agreement Establishing the World Trade Organization* ("WTO Agreement") concerning certain measures affecting imports of certain passenger vehicle and light truck tires from China. The request may be found at <http://www.wto.org> in document WT/DS399/2. USTR invites written comments from the public

concerning the issues raised in this dispute.

**DATES:** Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before January 29, 2010, to be assured of timely consideration by USTR.

**ADDRESSES:** Comments should be submitted electronically to <http://www.regulations.gov>, docket number USTR–2009–0035. If you are unable to provide submissions by <http://www.regulations.gov>, please contact Sandy McKinzy at (202) 395–9483 to arrange for an alternative method of transmission. If (as explained below), the comment contains confidential information, then the comment should be submitted by fax only to Sandy McKinzy at (202) 395–3640.

**FOR FURTHER INFORMATION CONTACT:** María L. Pagán, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, (202) 395–7305.

**SUPPLEMENTARY INFORMATION:** USTR is providing notice that establishment of a dispute settlement panel has been requested pursuant to the WTO *Understanding on Rules and Procedures Governing the Settlement of Disputes* (“DSU”). If a dispute settlement panel is established, the panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within nine months after it is established.

### Major Issues Raised by China

In its request for the establishment of a panel, China challenges the additional duties imposed by the United States on certain passenger vehicle and light truck tires from China pursuant to a Presidential determination and proclamation issued on September 11, 2009 under section 421 of the Trade Act of 1974, as amended (19 U.S.C. 2451). The President’s determination can be found at 74 FR 47433 (September 16, 2009); the proclamation can be found at 74 FR 47861 (September 17, 2009). The related report by the U.S. International Trade Commission issued as part of the investigation can be found at *Certain Passenger Vehicle and Light Truck Tires from the People’s Republic of China*, Investigation No. TA–421–7, USITC Publication No. 4085 (July 2009). The additional duties took effect on September 26, 2009. The request purports to include any other measures the United States has announced or may announce to implement the President’s determination.

China alleges that the additional duties, not having been justified as emergency action under relevant WTO rules, are inconsistent with Article I:1 of the *General Agreement on Tariffs and Trade 1994* (“GATT 1994”), because the United States does not accord to Chinese tires the same treatment it accords to passenger vehicle and light truck tires from China originating in other countries; and with Article II of the GATT 1994, because the higher tariffs consist of unjustified modifications of U.S. concessions. China also alleges that these measures have not been properly justified pursuant to Article XIX of the GATT 1994 and the *WTO Agreement on Safeguards*. China also alleges that these measures have not been properly justified as China-specific restrictions under the *Protocol on the Accession of the People’s Republic of China* (Protocol of Accession).

Furthermore, China alleges that the U.S. statute authorizing these China-specific restrictions is inconsistent on its face with Article 16 of the Protocol of Accession because, according to China, the statute impermissibly weakens the standard of “significant cause” by imposing a definition of the term that contradicts Article 16.4 of the Protocol of Accession. Finally, China alleges that the restrictions are inconsistent with Articles 16.1, 16.3, 16.4, and 16.6 of the Protocol of Accession.
