V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 of EDGAR and are listed in the application package.

2. *Review and Selection Process:* Additional factors we consider in selecting an application for an award are the equitable distribution of grants among the geographical regions of the United States and among urban, suburban, and rural populations.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. You must also submit an interim progress report twelve months after the award date. This report should provide the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing

the effectiveness of the Grants for the Integration of Schools and Mental Health Systems program:

a. The percentage of schools served by the grant that have comprehensive, detailed linkage protocols in place; and

b. The percentage of school personnel served by the grant who are trained to make appropriate referrals to mental health services.

These two measures constitute the Department's measures of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these two measures in conceptualizing the approach and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their interim and final performance reports about progress toward these measures. The Secretary will also use this information to respond to the evaluation requirements concerning this program established in section 5541(f) of the ESEA. For specific requirements on grantee reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the program is to provide grants to eligible applicants to improve postsecondary education.

Priorities: This competition includes one absolute priority and one invitational priority.

Absolute Priority: This priority is from the notice of final priorities for this program, published in the **Federal Register** on December 11, 2009 (74 FR 65764). For FY 2010, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this absolute priority.

This priority is:

European Union (EU)-United States (U.S.) Atlantis Program—(84.116J).

This priority supports the formation of educational consortia between the EU and U.S. institutions. To meet this priority, the applicant must propose a project that encourages cooperation in the coordination of curricula; the exchange of students, if pertinent to grant activities; and the opening of educational opportunities between the U.S. and EU Member States. In order to be eligible for an award under this priority, the applicant in the U.S. must be a U.S. institution and the applicant in the EU must be an EU institution.

EU institutions participating in any consortium proposal under this priority may apply to the Directorate-General for Education and Culture (DG EAC), European Commission, for funding

under a separate but parallel EU competition.

Invitational Priority: For FY 2010, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Projects that support exchanges between EU institutions and U.S. minority-serving institutions to increase the participation of underrepresented minorities in the program.

Program Authority: 20 U.S.C. 1138–1138d.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education (IHEs) only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The Administration has requested \$47,424,000 for the FIPSE programs, of which we intend to allocate \$2,000,000 for new awards for the EU-U.S. Atlantis program in FY 2010. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$35,000–\$108,000 for the first year only.

Estimated Average Size of Awards: \$35,000 for the first year of two-year Policy Oriented Measures grants that support public policy research on transatlantic topics; \$45,000 for the first year of four-year Mobility grants that support curriculum development and academic term exchanges; and \$102,000 for the first year of five-year Transatlantic Degree grants that support the development and implementation of dual degrees. You can find a detailed description of each of these three types of grants in the program guidelines and budget instructions in the application package for this competition.

Estimated Number of Awards: 25.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 60 months.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition. **Word Limit and Application Format:** The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to no more than 6,000 words. The page format for the application must comply with the following standards:

In addition, the 6,000-word limit does not apply to the one-page abstract, appendices, the short bios, letters of commitment, line item budget, or a table of contents. You must include your complete response to the selection criteria in the program narrative.

We will reject your application if you exceed the 6,000-word limit.

restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.* Applications for grants under the EU-U.S. Atlantis Program—CFDA Number 84.116J must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this competition after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic

submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with the word limit requirement described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.

- (2) The applicant's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- (4) Fax the signed SF 424 to the Application Control Center at (202) 245-6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

- (1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (2)(a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to e-Application; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Frank Frankfort, U.S. Department of Education, 1990 K Street, NW., room 6152, Washington, DC 20006-8544. FAX: (202) 502-7877.

- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, *Attention:* (CFDA Number 84.116J), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt

of your grant application. If you do not receive this grant notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is demonstration of a transatlantic, innovative approach to training and education.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the following two performance measures will be used by the Department in assessing the success of the FIPSE—Special Focus Competition: EU-U.S. Atlantis Program:

- (1) The extent to which funded projects are being replicated (*i.e.*, adopted or adapted by others).

(2) The manner in which projects are being institutionalized and continued after funding.

If funded, you will be asked to collect and report data from your project on steps taken toward achieving the outcomes evaluated by these performance measures (*i.e.*, institutionalization and replication). Consequently, applicants are advised to include these two outcomes in conceptualizing the design, implementation, and evaluation of their proposed projects. Institutionalization and replication are important outcomes that ensure the ultimate success of international consortia funded through this program.

SUPPLEMENTARY INFORMATION:

I. Background

The Hanford Site is located in southeastern Washington State along the Columbia River, and is approximately 586 square miles in size. Hanford's mission included defense-related nuclear research, development, and weapons production activities from the early 1940s to approximately 1989. During that period, Hanford operated a plutonium production complex with nine nuclear reactors and associated processing facilities. These activities created a wide variety of chemical and radioactive wastes. Hanford's mission now is focused on the cleanup of those wastes and ultimate closure of Hanford.

In support of Hanford's cleanup mission DOE, with Ecology as a cooperating agency, prepared the Draft TC & WM EIS in accordance with the Council on Environmental Quality's National Environmental Policy Act (NEPA) Implementing Regulations at 40 CFR Parts 1500-1508 and the DOE NEPA Implementing Procedures at 10 CFR Part 1021. The Environmental Protection Agency issued a Notice of Availability of this Draft TC & WM EIS on October 30, 2009 (74 FR 56194), thereby initiating the public comment period for the Draft EIS.

II. Public Hearings

During an open house, the first hour of each hearing, participants may register to speak and meet informally with representatives from DOE and Ecology. During the formal portion of

each hearing, DOE and Ecology will make short opening presentations on the Draft EIS and describe the format for the hearing. The remaining time will be available for the public to comment. The schedule of locations, dates, and times for all of the public hearings is provided as follows:

Richland, WA 99352, January 26, 2010, Red Lion Hotel Hanford House, 802 George Washington Way, 509-946-7611, 6 to 10 p.m.

Boise, ID 83702, February 2, 2010, Owyhee Plaza Hotel, 1109 Main St., 208-343-4611, 6 to 10 p.m.

Hood River, OR 97031, February 9, 2010, Columbia Gorge Hotel, 4000 Westcliff Drive, 541-386-5566, 6 to 10 p.m.

Portland, OR 97232, February 10, 2010, Doubletree Hotel, Portland—Lloyd Center, 1000 NE Multnomah Street, 503-281-6111, 6 to 10 p.m.

Seattle, WA, February 11, 2010, Seattle Center, 305 Harrison Street, 206-684-7200, 6 to 10 p.m.

DOE will consider and respond to all oral and written comments received at the public hearings or written comments postmarked by March 19, 2010, in preparing the Final EIS. Late comments will be considered to the extent practicable. DOE is considering some additional public hearings.
