**Notice of Lodging of Consent Decrees Under The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA)**

Notice is hereby given that on December 18, 2009, two proposed Consent Decrees in the case of *U.S. v. Mascot Mines, Inc., et al.*, Civil Action No. 08-383-EJL, with Defendants Mascot Mines, Inc. and Nabob Silver-Lead Company and with Defendant United Resource Holdings Group, Inc., were lodged with the United States District Court for the District of Idaho.

The United States filed a complaint in September 2008 alleging that the defendants are liable pursuant to Section 107(a) of CERCLA for response costs incurred and to be incurred by the United States in connection with Operable Unit Three of the Bunker Hill Mining and Metallurgical Complex Superfund Site in northern Idaho. The proposed Consent Decrees grant each settling defendant a covenant not to sue for response costs, as well as natural resource damages, in connection with the Site. The Coeur d'Alene Tribe is a co-trustee of injured natural resources at the Site and a party to the proposed Consent Decrees. The settlements are based on an analysis of each settling defendant's limited ability to pay and require payments totaling \$90,000. The settlements also require assignment of interest in insurance policies to a trust, for the benefit of EPA and the natural resource trustees, and payment of two percent of net smelter returns generated from any future mining activities.

For thirty (30) days after the date of this publication, the Department of

Justice will receive comments relating to the Consent Decrees. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. *Description:* On February 4, 2009, President Obama signed the Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA,

Pub. L. 111-3). Under ERISA section 701(f)(3)(B)(i)(I), PHS Act section 2701(f)(3)(B)(i)(I), and section 9801(f)(3)(B)(i)(I) of the Internal Revenue Code, as added by CHIPRA, an employer that maintains a group health plan in a State that provides medical assistance under a State Medicaid plan under title XIX of the Social Security Act (SSA), or child health assistance under a State child health plan under title XXI of the SSA, in the form of premium assistance for the purchase of coverage under a group health plan, is required to make certain disclosures. Specifically, the employer is required to notify each employee of potential opportunities currently available in the State in which the employee resides for premium assistance under Medicaid and CHIP for health coverage of the employee or the employee's dependents.

ERISA section 701(f)(3)(B)(i)(II) requires the Department of Labor to provide employers with model language for the Employer CHIP Notices to enable them to timely comply with this requirement. The Model Employer CHIP Notice is required to include information on how an employee may contact the State in which the employee resides for additional information regarding potential opportunities for premium assistance, including how to apply for such assistance.

Section 311(b)(1)(D) of CHIPRA provides that the Departments of Labor and Health and Human Services shall develop the initial Model Employer CHIP Notice under ERISA section 701(f)(3)(B)(i)(II), and the Department of Labor shall provide such notices to employers, by February 4, 2010. Moreover, each employer is required to provide the initial annual notices to such employer's employees beginning with the first plan year that begins after the date on which the initial model notices are first issued. The ICR relates to the Model Employer Chip Notice.

*Why are we requesting Emergency Processing?* If the Department were required to comply with standard PRA clearance procedures, it would not be able to publish the model notices on a timely basis.

Dated: January 5, 2010.
