

summary to FDA for their MIR162 corn line in 2007. FDA completed their consultation on MIR 162 corn on December 9, 2008, concluding that FDA had “no further questions concerning grain and forage derived from corn event MIR162.”

### National Environmental Policy Act

A draft EA has been prepared to provide the APHIS decisionmaker with a review and analysis of any potential environmental impacts associated with the proposed determination of nonregulated status for the MIR162 corn line. The draft EA was prepared in accordance with (1) the National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), (2) regulations of the Council on Environmental Quality for implementing the procedural provisions of NEPA (40 CFR parts 1500–1508), (3) USDA regulations implementing NEPA (7 CFR part 1b), and (4) APHIS’ NEPA Implementing Procedures (7 CFR part 372).

In accordance with § 340.6(d) of the regulations, we are publishing this notice to inform the public that APHIS will accept written comments regarding the petition for a determination of nonregulated status from interested or affected persons for a period of 60 days from the date of this notice. We are also soliciting written comments from interested or affected persons on the draft EA prepared to examine any potential environmental impacts of the proposed determination for the deregulation of the subject corn line, and the plant pest risk assessment. The petition, draft EA, and plant pest risk assessment are available for public review, and copies of the petition, draft EA, and plant pest risk assessment are available as indicated under **ADDRESSES** and **FOR FURTHER INFORMATION CONTACT** above.

After the comment period closes, APHIS will review all written comments received during the comment period and any other relevant information. All public comments received regarding the petition, draft EA, and plant pest risk assessment will be available for public review. After reviewing and evaluating the comments on the petition, the draft EA, plant pest risk assessment and other data, APHIS will furnish a response to the petitioner, either approving or denying the petition. APHIS will then publish a notice in the **Federal Register** announcing the regulatory status of the MIR162 corn line and the availability of APHIS’ written regulatory and environmental decision.
