SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61311; File No. SR-FINRA-2009-072]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Order Approving Proposed Rule Change To Amend the Deficient Claims Rules of the Codes of Arbitration Procedure for Customer and Industry Disputes

January 7, 2010.

I. Introduction

On October 28, 2009, Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission (the "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Rule 12307 of the Code of Arbitration for Customer Disputes (the "Customer Code") and Rule 13307 of the Code of Arbitration for Industry Disputes (the "Industry Code") (collectively, the "Codes") to clarify the date of filing of an arbitration claim once a deficiency is corrected. The proposed Rule change was published for comment in the **Federal Register** on December 2, 2009.³ The Commission received two comment letters, both of which supported the proposed rule change.⁴ This order approves the proposed rule change.

II. Description of the Proposal

When parties initiate arbitration claims in FINRA's arbitration forum, they must file a signed and dated submission agreement, pay all required filing fees, and provide a statement of claim explaining the facts and outlining

the remedies requested.⁵ If a party's claims do not comply with the Customer Code or Industry Code, as applicable, those claims are considered deficient.⁶ FINRA received inquiries from constituents on how the arbitration forum determines the date of filing of a claim that was deficient when filed, but is later corrected.

To address these constituents' concerns, FINRA proposed to amend Rules 12307(b) of the Customer Code and 13307(b) of the Industry Code to clarify the date of filing of a deficient claim when the deficiency is corrected within 30 days from the time the party receives notice of the deficiency (the "Deficiency Period"). As amended, these rules would provide that if the deficiency is corrected within the Deficiency Period, the claim will be considered filed on the date the initial statement of claim was filed.

Two commenters addressed the proposed rule change and both urged the Commission to approve it.

III. Discussion and Commission Findings

The Commission finds the proposed rule change to be consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.⁷ In particular, the Commission finds that the proposed rule change is consistent with Section 15A(b)(6) of the Act in that it is designed, among other things, to promote just and equitable principles of trade and to protect investors and the public interest.

The Commission believes it is important to provide persons using FINRA's arbitration forum clear guidance on how to determine the date of filing of a deficient claim. The proposed rule change should eliminate confusion, provide transparency concerning forum practice, and enhance the efficiency of case administration.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-FINRA-2009-072) be, and hereby is, approved.

⁵ Rule 12302(a)(1) of the Customer Code and Rule 13302(a)(1) of the Industry Code.

⁶ A claim may be deficient because, for example, the party failed to file a properly signed and dated submission agreement, failed to pay all required filing fees, or failed to file the correct number of copies of the submission agreement, statement of claim or other supporting documents.

⁷ In approving the proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

[Release No. 34-61310; File No. SR-NYSEAmex-2009-102]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC To Modify Its Liquidity Credits and Establish Separate Liquidity Credits for Supplemental Liquidity Providers

January 7, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on December 31, 2009, NYSE Amex LLC ("NYSE Amex" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify its liquidity credits and establish liquidity credits for Supplemental Liquidity Providers ("SLPs"). These changes will take effect on January 1, 2010. The text of the proposed rule change is available at the Exchange, the Commission's Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below.

The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

NYSE Amex currently pays a rebate of \$0.0030 per share to customers providing liquidity in securities with a trading price of at least \$1.00 per share. With effect from January 1, 2010, this rebate will decrease to \$0.0015 per share.

In a recent filing, the Exchange established a Supplemental Liquidity Provider ("SLP") program.⁴ The Exchange proposes to establish a system of credits payable to SLPs when they provide liquidity to the Exchange. The Exchange will pay a credit of \$0.0020 per share to SLPs when they add liquidity to the Exchange in securities with a per share price of \$1.00 or more, if the SLP meets the 3% average or more quoting requirement in an assigned security pursuant to Rule 107B. However, if the SLP does not meet the 3% average or more quoting requirement in an assigned security pursuant to Rule 107B, it will be entitled to the same \$0.0015 per share credit payable to all customers when adding liquidity to the Exchange in securities with a per share price of \$1.00 or more. The Exchange will pay a credit of \$0.0005 per share to SLPs when they add liquidity to the Exchange in securities with a per share price of less than \$1.00, if the SLP meets the 3% average or more quoting requirement in an assigned security pursuant to Rule 107B.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6⁵ of the Act in general and Section 6(b)(4) of the Act⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes that the proposal does not constitute an inequitable allocation of dues, fees and other charges as all similarly situated member organizations will be subject to the same fee structure.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)⁷ of the Act and subparagraph (f)(2) of Rule 19b-4⁸ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Amex.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
