

### Participation Requirements

All parties interested in participating in the U.S. Aerospace Business Development Mission to Canada must complete and submit an application form for consideration by the Department of Commerce. All applicants will be evaluated on their ability to satisfy the selection criteria as outlined below. A minimum of 10 and maximum of 15 companies will be selected on a first come-first served basis.

### Fees and Expenses

After a company has been selected to participate on the mission, a participation fee paid to the U.S. Department of Commerce is required. The participation fee will be \$2,900 for large firms and \$2,000 for a small or medium-sized enterprise (SME),<sup>1</sup> for up to two company representatives. The fee for more than two company representatives is \$250 per additional participant. Expenses for travel, lodging, in-country transportation (except for bus transportation to visit local aerospace OEMs on the second day of the mission), meals and incidentals will be the responsibility of each mission participant.

### Conditions for Participation

- An applicant must submit a completed and signed mission Participation Agreement and a completed Market Interest Questionnaire, including adequate information on the company's products and/or services, primary market objectives, and goals for participation. If the Department of Commerce receives an incomplete application, the Department may reject the application, request additional information, or take the lack of information into account when evaluating the applications.
- Each applicant must also certify that the products and services to be promoted through the mission are either produced in the United States or marketed under the name of a U.S. firm and have at least 51 percent U.S. content of the value of the finished product or service.

<sup>1</sup> An SME is defined as a firm with 500 or fewer employees or that otherwise qualifies as a small business under SBA regulations (see [http://www.sba.gov/services/contracting\\_opportunities/sizestandardsttopics/index.html](http://www.sba.gov/services/contracting_opportunities/sizestandardsttopics/index.html)). Parent companies, affiliates, and subsidiaries will be considered when determining business size. The dual pricing reflects the Commercial Service's user fee schedule that became effective May 1, 2008 (see <http://www.export.gov/newsletter/march2008/initiatives.html> for additional information).

### Selection Criteria for Participation

Selection will be based on the following criteria:

- Suitability of the company's products or services for the Canadian aerospace market.
- Applicant's potential for business in Canada, including the likelihood of exports resulting from the mission.
- Consistency in the applicant's goals and objectives with the stated scope of the mission.

Referrals from political organizations and any documents containing references to partisan political activities (including political contributions) will be removed from an applicant's submission and not considered during the selection process.

### Timeframe for Recruitment and Applications

Mission recruitment will be conducted in an open and public manner. Outreach will include publication in the **Federal Register**, posting on the Commerce Department trade mission calendar (<http://www.ita.doc.gov/doctm/tmcal.html>) and other Internet Web sites, press releases to general and trade media, direct mail, broadcast fax, notices by industry trade associations and other multiplier groups, and publicity at industry meetings, symposia, conferences, and trade shows.

The mission will be open on a first-come, first-served basis. Recruitment for the mission will begin immediately and close on February 12, 2010. Applications received after February 12, 2010, will be considered only if space and scheduling constraints permit. Applications will be available online on the mission Web site at: <http://www.buyusa.gov/Canada>.
