FOR FURTHER INFORMATION CONTACT: For further information, please contact Ronald DeMarines at BIS on (202) 482-3755 or (202) 482-4506.

SUPPLEMENTARY INFORMATION: On December 23, 2009, BIS published a Final Rule in the **Federal Register** that updates and provides clarification with regard to the information U.S. firms are required to submit each year to BIS to support BIS's preparation of its annual report to Congress on offsets in defense trade. As set forth in the December 23, 2009 rule, the revised amendments will provide more consistency and less ambiguity in defining the scope of the offset-related activities that respondents report to BIS. Further, the rule responded to a recommendation made by the Government Accountability Office to BIS regarding the collection of more precise information on the industry sectors in which offset activity occurs. The full text of the rule is available at 74 FR 68136. In order to provide more information on the changes to the offset-related reporting requirement, BIS will hold a meeting on February 3, 2010. This meeting is open to the public. In order to prepare for those who plan to attend the meeting, please submit your name and company or organizational affiliation to BIS via fax or phone number provided in the **ADDRESSES** section.
