

of the Act⁸ to modify the applicable access fee or the applicable status (*i.e.*, the Temporary Membership status or the ITP status) is terminated.

Accordingly, the Exchange may, and likely will, further adjust the proposed access fees in the future if the Exchange determines that it would be appropriate to do so taking into consideration lease rates for transferable CBOE memberships prevailing at that time.

The procedural provisions of the CBOE Fee Schedule related to the assessment of each proposed access fee are not proposed to be changed and will remain the same as the current procedural provisions relating to the assessment of that access fee.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Section 6(b)(4) of the Act,¹⁰ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and subparagraph (f)(2) of Rule 19b-4¹² thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. [Public Notice 6878]

Notice of Meeting of a Study Group of the U.S. Department of State Advisory Committee on Private International Law

A Study Group of the Department of State Advisory Committee on Private International Law (ACPIL) will hold a public meeting to continue the discussion of the treatment of IP-secured financing practices in the United Nations Commission on International Trade (UNCITRAL) Draft Legislative Guide on Secured Transactions (Guide). At the 40th Session of the UNCITRAL in December 2007, it adopted a legislative guide on secured transactions, including recommendations dealing with the scope of the Guide as it relates to IP law and secured financing, as well as the inclusion in the commentary to the Guide of explanatory statements on the treatment of IP as secured financing. UNCITRAL also approved a work project on IP law matters as they relate to secured financing law. Other sessions for that work project were held in May and October of 2008 and April and October 2009. *This is not a meeting of the full Advisory Committee.*

The Study Group will use this public meeting to continue to exchange thoughts on the relationship between secured finance and IP and how this matter should be addressed in the new draft IP annex to the Guide. The report of the earlier sessions of the UNCITRAL Working Group and the papers prepared by the Secretariat for the next session of the UNCITRAL working group can be obtained at http://www.uncitral.org/uncitral/en/commission/working_groups/6Security_Interests.html. The revised document that will be reviewed at the February 8-12 session of the Working Group in New York is also available on this link.

Time and Place: The public meeting will take place at the Department of State, Office of Private International Law, 2430 E Street, NW., Washington, DC on Wednesday, February 3, 2010, from 10 a.m. to 12:30 p.m. EST.

Public Participation: This Study Group meeting is open to the public, subject to the capacity of the meeting room. Access to the meeting building is controlled; persons wishing to attend should contact Tricia Smeltzer or Niesha Toms of the Department of State Legal Adviser's Office at SmeltzerTK@state.gov or TomsNN@state.gov and provide your name, e-mail address, and mailing address to get admission into the meeting or to get directions to the office. Persons who cannot attend but who wish to comment are welcome to do so by e-mail to Michael Dennis at DennisMJ@state.gov. A member of the public needing reasonable accommodation should advise those same contacts not later than January 27th. Requests made after that date will be considered, but might not be able to be fulfilled. If you are unable to attend the public meeting and you would like to participate by teleconferencing, please contact Tricia Smeltzer or Niesha Toms at 202-776-8420 to receive the conference call-in number and the relevant information.

Information about members of the public is sought pursuant to 22 U.S.C. 2658; Executive Order 10450; Executive Order 12356; and Section 506 (a) of the Federal Records Act of 1950, as amended (44 U.S.C. 3101). The primary purpose for collecting the information is to assure protection of U.S. Department of State facilities and to allow all Department of State (DOS) staff to pre-register single visitors or groups and verify the requester has escort authority. The information furnished is used by the Department of State's Bureau of Diplomatic Security to enhance the Department's security by tracking visitor traffic and to prevent security vulnerability. The information may be shared with Bureau of Diplomatic Security staff as a routine use, and on an as-needed basis with outside law-enforcement organizations as part of the Department's effort to combat terrorism and to cooperate with law enforcement investigations. In addition, the information provided is used to better track, manage, and control access to buildings and restricted areas under the jurisdiction of the Department of State; to determine the status of individuals entering Department of State premises; and to provide data requisite to investigations and security reports. Data may be shared with other Local, State, and Federal law enforcement agencies. Failure to provide the information requested may result in denial of access to U.S. Department of State facilities.
