SUPPLEMENTARY INFORMATION

I. Background

The National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, was enacted on January 28, 2008. Section 1105 of Public Law 110-181 amended the Federal Employees' Compensation Act (FECA) creating a new section 8102a effective upon enactment. This section established a new FECA death gratuity benefit for eligible beneficiaries of Federal employees and Non-Appropriated Fund Instrumentality (NAFI) employees who die from injuries incurred in connection with service with an Armed Force in a contingency operation. Section 8102a also permits agencies to authorize retroactive payment of the death gratuity for employees who died on or after October 7, 2001, in service with an Armed Force in the theater of operations of Operation Enduring Freedom and Operation Iraqi Freedom. Form CA-40 requests the information necessary from the employee to accomplish this variance. Form CA-41 provides the means for those named beneficiaries and possible recipients to file claims for those benefits and requests information from such claimants so that OWCP may determine their eligibility for payment. Furthermore, the statute and regulations require agencies to notify OWCP immediately upon the death of a covered employee. CA-42 provides the means to accomplish this notification and requests information necessary to administer any claim for benefits resulting from such a death. This information collection is currently approved for use through May 31, 2010.

SUPPLEMENTARY INFORMATION:

I. Background

The forms included in this package are forms used by Federal employees and their dependents to claim benefits,

to prove continued eligibility for benefits, to show entitlement to remaining compensation payments of a deceased employee and to show dependency under the Federal Employees' Compensation Act. There are six forms in this information collection request. The information collected by Forms CA-5, is used by dependents for claiming compensation for the work related death of a Federal Employee and CA-5b is used by other survivors. Form CA-1031 is used in disability cases and provides information to determine whether a claimant is actually supporting a dependent and is entitled to additional compensation. Form CA-1074 is a follow up to CA-5b to request clarification of any information that is unclear and incomplete in the CA-5b. The letter of "Compensation Due at Death" is used to request information necessary to distribute compensation due when an employee dies who was receiving or who was entitled to compensation at the time of death for either disability benefits or a scheduled award. The letter of "Student/Dependency" is used to obtain information regarding the student status of a dependent. When a child reaches 18 years of age, they are no longer considered an eligible dependent unless they are a full time student or incapable of self-support. This information collection is currently approved for use through May 31, 2010.
