II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On November 4, 2009, the Commission approved FINRA Rule 4521 (Notifications, Questionnaires and Reports) as part of a new, consolidated set of financial responsibility rules⁴ for inclusion in FINRA's consolidated rulebook ("Consolidated FINRA Rulebook").⁵ FINRA announced in *Regulatory Notice* 09-71 that the new financial responsibility rules will be implemented on February 8, 2010.⁶

FINRA Rule 4521(d) sets forth certain reporting requirements for members carrying margin accounts for customers. The proposed rule change would make several non-substantive technical changes to the rule. FINRA Rule 4521(d)(2)(B) would be revised to clarify that members must submit the total of all free credit balances in all cash accounts and all securities margin accounts. Similarly, in FINRA Rule 4521(d)(3)(A) "margin accounts" would be revised to read "securities margin accounts." Further, the reference to special memorandum accounts in FINRA Rule 4521(d)(3)(A) would be revised to align with Regulation T of the Board of Governors of the Federal Reserve System. Lastly, in FINRA Rule 4521(d)(3)(B) "other organizations that are FINRA members" would be revised to read "other FINRA members."

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change on February 8, 2010.

⁴ See *Regulatory Notice* 09-71 (December 2009) (SEC Approves Consolidated FINRA Rules Governing Financial Responsibility). See also Securities Exchange Act Release No. 60933 (November 4, 2009), 74 FR 58334 (November 12, 2009) (Order Granting Approval to Proposed Rule Change; File No. SR-FINRA-2008-067).

⁵ The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

⁶ See note 4.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change is consistent with the purposes of the Act because it will provide greater clarity to members and the public regarding FINRA's rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed under 19b-4(f)(6) normally does not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹⁰ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. As noted above, on November 4, 2009, the Commission approved FINRA 4521 (Notifications, Questionnaires and

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission notes that FINRA has satisfied the five-day pre-filing notice requirement.

Reports) as part of a new, consolidated set of financial responsibility rules.¹¹ FINRA has requested that the Commission waive the 30-day operative delay set forth in Rule 19b-4(f)(6)(iii) under the Act¹² in order for the rule to become operative upon filing. The Commission notes that the proposed rule changes makes technical non-substantive changes to Rule 4521. The Commission further notes that the operative date of FINRA 4150 is February 8, 2009.¹³ The Commission believes that the earlier operative date is consistent with the protection of investors and the public interest because the proposed rule change permits FINRA to implement the rule without further delay and in time for the operative date of the financial responsibility rules.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61403; File No. SR-NYSE Amex-2009-85]

Self-Regulatory Organizations; NYSE Amex, Inc.; Order Approving Proposed Rule Change To Establish the NYSE Amex Realtime Reference Prices Service

January 22, 2010.

I. Introduction

On November 30, 2009, the NYSE Amex, Inc. ("NYSE Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to

establish the NYSE Amex Realtime Reference Prices service and to establish a flat monthly fee and a per-query fee for that service. The proposed rule change was published for comment in the **Federal Register** on December 18, 2009.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

II. Description of the Proposal

a. The Service

The Exchange proposes to establish the NYSE Amex Realtime Reference Prices service and to establish a flat monthly fee and a per-query fee for that service. The Exchange believes that the NYSE Amex Realtime Reference Prices service would provide a low-cost service that makes real-time prices widely available to casual investors, provides vendors with a useful real-time substitute for delayed prices; and relieves vendors of administrative burdens. The Exchange states that the product would respond to the requirements for distribution of real-time last sale prices over the internet for reference purposes, rather than as a basis for making trading decisions.

The NYSE Amex Realtime Reference Prices service would allow internet service providers, traditional market data vendors, and others ("NYSE Amex-Only Vendors") to make available NYSE Amex Realtime Reference Prices on a real-time basis.⁴ The NYSE Amex Realtime Reference Price information includes last sale prices for all securities that trade on the Exchange, updated in real-time. In addition, the product also includes open, high and low prices and cumulative volume. The Exchange anticipates that it would update these data elements every second, though initially it would update them once per minute. The product does not include bid/ask quotations or the size of each trade.

The Exchange would not permit NYSE Amex-Only Vendors to provide NYSE Amex Realtime Reference Prices in a context in which a trading or order-routing decision can be implemented unless the NYSE Amex-Only Vendor also provides consolidated displays of Network A last sale prices available in an equivalent manner, as Rule 603(c)(1) of Regulation NMS requires.

The Exchange states that the service would eliminate some of the

administrative burdens associated with the distribution of real-time CTA prices. The service would feature a flat, fixed monthly vendor fee, no user-based fees, no vendor reporting requirements, and no professional or non-professional subscriber agreements.

b. The Fees

The Exchange proposes to establish a \$10,000 monthly flat fee that entitles an NYSE Amex-Only Vendor to receive access to the NYSE Amex Realtime Reference Prices datafeed. For that fee, the NYSE Amex-Only Vendor could provide unlimited NYSE Amex Realtime Reference Prices to an unlimited number of the NYSE Amex-Only Vendor's subscribers and customers. The Exchange does not propose to impose any device or end-user fee for the NYSE Amex-Only Vendors' distribution of NYSE Amex Realtime Reference Prices.

In addition, the Exchange proposes to establish as an alternative to the fixed monthly fee a fee of \$.004 for each real-time reference price that a NYSE Amex-Only Vendor disseminates to its customers. The Exchange proposes to limit a NYSE Amex-Only Vendor's exposure under this alternative fee by setting \$10,000, the same amount as the proposed fixed monthly rate, as the maximum fee that an NYSE Amex-Only Vendor would have to pay for real-time reference prices that it disseminates in any calendar month pursuant to the per-query fee.

In order to take advantage of the per-query fee, a NYSE Amex-Only Vendor must document in its Exhibit A that it has the ability to measure accurately the number of queries and must have the ability to report aggregate query quantities on a monthly basis.

The Exchange states that it would impose the per-query fee only on the dissemination of real-time reference prices. NYSE Amex-Only Vendors may provide delayed data services in the same manner as they do today.

The per-query charge would be imposed on NYSE Amex-Only Vendors, not end-users, and would be payable on a monthly basis. NYSE Amex-Only Vendors may elect to disseminate NYSE Amex Realtime Reference Prices pursuant to the per-query fee rather than the fixed monthly fee.

c. Justification of Fees

The Exchange believes that the proposed flat monthly fee and per-query fee for the NYSE Amex Realtime Reference Prices service enable internet service providers and traditional vendors to contribute to the Exchange's operating costs in a manner that is
