

**DEPARTMENT OF JUSTICE****Office on Violence Against Women**

[OMB Number 1122-0020]

**Agency Information Collection  
Activities: Proposed Collection;  
Comments Requested**

**ACTION:** 30-Day Notice of Information Collection Under Review: Office on Violence Against Women Solicitation Template.

The Department of Justice, Office on Violence Against Women (OVW) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 74, Number 228, page 62595, on November 30, 2009, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until March 1, 2010. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to The Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the

use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**Overview of This Information  
Collection**

(1) *Type of Information Collection:* Proposed collection.

(2) *Title of the Form/Collection:* OVW Solicitation Template.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-XXXX. U.S. Department of Justice, OVW.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: The affected public includes applicants to OVW grant programs authorized under the Violence Against Women Act of 1994 and reauthorized and amended by the Violence Against Women Act of 2000 and the Violence Against Women Act of 2005. These include States, territory, Tribe or unit of local government; State, territorial, tribal or unit of local governmental entity; institutions of higher education including colleges and universities; tribal organizations; Federal, State, tribal, territorial or local courts or court-based programs; State sexual assault coalition, State domestic violence coalition; territorial domestic violence or sexual assault coalition; tribal coalition; tribal organization; community-based organizations and non-profit, nongovernmental organizations. The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes the requirements for eligibility; instructs an applicant on the necessary components of an application under a specific program (e.g. project activities and timeline, proposed budget); and provides registration dates, due dates, and instructions on how to apply within the designated application system.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that information will be collected annually from the approximately 1800 respondents (applicants to the OVW grant programs). The public reporting burden for this collection of information is estimated at up to 30 hours per application. The 30-hour estimate is based on the amount of time to prepare a narrative, budget and other materials

for the application as well to coordinate with and develop a memorandum of understanding with requisite project partners.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 54,000 hours.

*If Additional Information Is Required Contact:* Lynn Bryant, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: January 26, 2010.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Under the Clean Air Act

Pursuant to 28 CFR 50.7, notice is hereby given that on January 25, 2010, a proposed Consent Decree in *United States of America, et al. v. Westar Energy, Inc.*, Civil Action No. 2:09-CV-2059-JAR-DJW, was lodged with the United States District Court for the District of Kansas.

The Consent Decree would resolve claims asserted by the United States against Westar Energy ("Westar") pursuant to Sections 113(b) and 167 of the Clean Air Act (the "Act"), 42 U.S.C. 7413(b) and 7477, seeking injunctive relief and the assessment of civil penalties for Westar's violations of:

(a) The Prevention of Significant Deterioration ("PSD") provisions in Part C of Subchapter I of the Act, 42 U.S.C. 7470-92;

(b) The New Source Performance Standards ("NSPS") provisions of the Act, 42 U.S.C. 7411;

(c) Title V of the Act, 42 U.S.C. 7661 *et seq.*; and

(d) The federally-enforceable State Implementation Plan ("SIP") developed by the State of Kansas.

Westar operates three coal-fired power plants in Kansas. One of those plants, the Jeffrey Energy Center ("Jeffrey Plant"), has three electric generating units and is located near St. Marys in Pottawatomie County, Kansas. Only the Jeffrey Plant is the subject of this settlement. The complaint filed by the United States alleges that Westar modified and thereafter operated all three units at the Jeffrey Plant without complying with the PSD requirements of the Act (including the requirements to first obtain a PSD permit authorizing the modifications and to install and operate the best available control technology to control emissions of sulfur dioxide ("SO<sub>2</sub>"), nitrogen oxides ("NO<sub>x</sub>"), and/or particulate matter ("PM")). The complaint also alleges that Westar violated Title V of the Act by failing to include the PSD requirements triggered by its modifications in its Title V operating permit for the Jeffrey Plant.

The proposed Consent Decree would require Westar to reduce SO<sub>2</sub>, NO<sub>x</sub> and

PM emissions at all three Jeffrey Units through the installation, upgrade, and/or operation of pollution control technologies. In addition, the proposed complaint would require Westar to spend \$6 million on environmental mitigation projects, namely retrofitting diesel engines to reduce emissions from vehicles owned by or operated for public entities in Kansas with emission control equipment, installing new wind turbines that provide electricity for the benefit of schools or non-profits, installing advanced truck stop electrification, installing plug-in hybrid infrastructure, and converting vehicles in Westar's fleet by retrofitting diesel vehicles and purchasing hybrid vehicles. Finally, the proposed Consent Decree would require Westar to pay a \$3 million civil penalty. The State of Kansas has joined the settlement as co-plaintiff.

The Department of Justice will receive comments relating to the Consent Decree for a period of thirty (30) days from the date of this publication. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States of America, et al. v. Westar Energy, Inc.*, D.J. Ref. 90-5-2-1-08242.

The Consent Decree may be examined at the Office of the United States Attorney for the District of Kansas, 500 State Avenue, Suite 360, Kansas City, KS 66101, and at U.S. EPA Region 7, 901 N. 5th Street, Kansas City, KS 66101. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/ConsentDecrees.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov)), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$16.00 (25 cents per page reproduction cost) payable to the U.S. Treasury or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.
