**Notice of Intent To Hold Public Forums To Solicit Feedback From the Public Regarding the Section 523 Mutual Self-Help Housing Program**

**AGENCY:** Rural Housing Service, USDA.

**ACTION:** Notice.

**SUMMARY:** Responding to President Obama's initiative for an open, transparent government, the Rural Housing Service, hereinafter referred to

as the Agency, intends to hold public forums to solicit feedback from the public on whether the current method of delivering the self-help program is the most efficient and cost effective in terms of cost and program delivery.

Transparency encourages accountability by delivering information to the public about what the Government is doing. Participation provides the public with opportunities to contribute ideas and expertise to the Government which will enable them to make sound policy decisions that represent a wider group of diverse individuals throughout society. Collaboration improves effectiveness of the Government by encouraging partnerships and cooperation within the Federal Government, across levels of government, and between the Government and private institutions.

The Agency will use information obtained from public forums to evaluate all aspects of the self-help program. As the Agency moves forward, it will continue to encourage and solicit feedback, recommendations, and comments from all sectors of the public. All information relative to these forums will be taped, transcribed, and posted to the Agency Web site.

**DATES:** Public forums are scheduled for February through June 2010. All written questions and comments must be received by the Agency prior to June 30, 2010. The public forums will be held in selected states and the Washington, DC area.

**SUPPLEMENTARY INFORMATION:** One of the major areas within the Section 523 Mutual Self-Help Program that the Agency will be focusing on is the Technical and Management Assistance (T&MA) contracts. The contracts task regional non-profit organizations to provide training and technical assistance to recipients of the Section

523 grants. These recipients, referred to as Section 523 grantees, provide technical assistance to low and very low-income families to build their homes in rural areas. In addition to assisting the Section 523 grantees, the contractors are also required to market the self-help program, monitor the progress of active Section 523 grantees, and provide training to both grantees and families.

The location and time of the forums will be determined at a later date and announced locally. Registration information and deadlines will be provided, at that time. In addition, this information will be posted to the Agency Web site.
