

Court for the Western District of Missouri.

In this action the United States sought, pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9601 *et seq.*, as amended (“CERCLA”), declaratory relief, injunctive relief, and recovery of response costs incurred and to be incurred by the United States in connection with the release or threatened release of hazardous substances at or from the Armour Road Superfund Site, located at and adjacent to 2251 Armour Road in North Kansas City, Clay County, Missouri (“Site”). The Consent Decree requires the settling defendant to perform a remedial investigation and feasibility study (“RI/FS”) for the Site and to pay the costs incurred and to be incurred by the United States in connection with the RI/FS. The work to be performed by the settling defendant is expected to cost about \$600,000.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O.
