

Comments should address one or more of the following points:

a. Whether the proposed collection of information is necessary for the proper performance of the functions of OTS;

b. The accuracy of OTS's estimate of the burden of the proposed information collection;

c. Ways to enhance the quality, utility, and clarity of the information to be collected;

d. Ways to minimize the burden of the information collection on respondents, including through the use of information technology.

We will summarize the comments that we receive and include them in the OTS request for OMB approval. All comments will become a matter of public record. In this notice, OTS is soliciting comments concerning the following information collection:

Title of Proposal: Procedures for Monitoring Bank Secrecy Act Compliance.

OMB Number: 1550-0041.

Form Numbers: N/A.

Regulation requirement: 12 CFR Parts 563.177 and 563.180.

Description: In 1970, Congress passed the Currency and Foreign Transactions Report Act commonly known as the 'Bank Secrecy Act' ("BSA"). The Money Laundering Control Act of 1986 further augmented the BSA's effectiveness by adding interrelated sections 8(s) and 21 to the Federal Deposit Insurance Act, which applies to savings associations. Specifically, Section 1359 of the Anti-Drug Abuse Act of 1986, Public Law 99-570 ("Act"), required the former Federal Home Loan Bank Board ("FHLBB") to prescribe regulations requiring regulated institutions to establish and maintain procedures reasonably designed to assure and monitor compliance with the BSA and the U.S. Department of Treasury regulation 31 CFR part 103. The Office of Thrift Supervision ("OTS") is charged with the responsibility to examine savings association procedures periodically to ensure their

effectiveness; OTS is therefore subject to the Act. See 12 CFR 563.177 and 563.180. The requirement that savings associations establish written BSA compliance procedures is a one-time event, but revisions to those procedures must occur as deemed necessary.

OTS examiners review the written procedures during examinations in order to ensure the implementation of adequate systems for complying with the BSA and its implementing regulations.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 765.

Estimated Burden Hours per Response: 40 hours.

Estimated Frequency of Response: Annually.

Estimated Total Burden: 30,600 hours.

Dated: February 3, 2010.

Ira L. Mills,

Paperwork Clearance Officer, Office of Thrift Supervision.
