SUPPLEMENTARY INFORMATION:**I. Does this Action Apply to Me?**

The Agency included in the final rule a list of those who may be potentially affected by this action. If you have questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

II. What Does this Technical Amendment Do?

This technical amendment revises § 180.1254 to reinstate text that was inadvertently omitted in a final rule that was published in the **Federal Register** of June 3, 2009 (74 FR 26527) (FRL-8417-9). The June 3, 2009 final rule revised § 180.1254, however; the revision omitted text which had been added as paragraph (b) in a final rule published in the **Federal Register** on October 1, 2008 (73 FR 56995).

III. Why is this Technical Amendment Issued as a Final Rule?

Section 553 of the Administrative Procedure Act (APA), (5 U.S.C. 553(b)(3)(B)), provides that, when an Agency for good cause finds that notice and public procedure are impracticable, unnecessary or contrary to the public interest, the Agency may issue a final rule without providing notice and an opportunity for public comment. EPA has determined that there is good cause for making this technical correction final without prior proposal and opportunity for comment, because the omission was the result of clerical error and was neither proposed nor commented upon. Notice and comment is therefore unnecessary.

IV. Do Any of the Statutory and Executive Order Reviews Apply to this Action?

No. This action only corrects the omission for a previously published final rule and does not impose any new requirements. EPA's compliance with the statutes and Executive orders for the underlying rule is discussed in Unit III. of the final rule published on June 3, 2009 (74 FR 26527).

V. Congressional Review Act

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, generally provides that before a rule may take effect, the Agency promulgating the rule must submit a rule report to each House of the Congress and to the Comptroller

General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a "major rule" as defined by 5 U.S.C. 804(2).
