

equivalent rebates and fees for ISE member and non-member subscribers. In addition, because the proposal will apply the revised rebates and fees retroactively to February 1, 2010, the revised rebates and fees will have the same effective date, thereby promoting consistency in the DECN's fee schedule. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act, for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing thereof in the **Federal Register**.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁴ that the proposed rule change (SR-ISE-2010-11) be, and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁵

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61499; File No. SR-NYSEAmex-2010-04]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC Amending Rule 991 Options Communications

February 4, 2010.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the "Act") ² and Rule 19b-4 thereunder,³ notice is hereby given that, on January 13, 2010, NYSE Amex LLC ("NYSE Amex" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its option trading rules pertaining to its

advertising, branch officer examination requirement, and assuming customer loss policies to harmonize these policies with those of the Financial Industry Regulatory Authority ("FINRA"). The text of the proposed rule change is available on the Exchange's Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Pursuant to Rule 17d-2 under the Act, the American Stock Exchange, LLC, the Boston Stock Exchange, Inc., the Chicago Board Options Exchange, Inc., the International Securities Exchange, LLC, Financial Industry Regulatory Authority, Inc., The NASDAQ Stock Market LLC, the New York Stock Exchange, LLC, NYSE Arca, Inc., and the Philadelphia Stock Exchange, Inc. (collectively, the "Options Self Regulatory Council"), entered into an agreement dated June 5, 2008 (the "17d-2 Agreement") to allocate regulatory responsibility for common rules. The Exchange is currently in the process of recertifying this 17d-2 Agreement.

In order to continue this successful regulatory agreement, the Exchange proposes to harmonize the following option trading rules with comparable FINRA rules: NYSE Amex Rule 991, Communications to Customers and NYSE Amex Rule 1106, Prior Approval of Certain Communications to Customers.

Options Communications

In furtherance of the 17d-2 Agreement, and in order to maintain substantial similarity with FINRA rules, the Exchange proposes to amend NYSE Amex Rule 991, Communications to Customers, to correspond to FINRA Rule 2220, Options Communications.

Many elements of current NYSE Amex Rule 991 are identical to FINRA Rule 2220. However, FINRA 2220 contains a more comprehensive definition section and approval process for advertisements, correspondence, and institutional sales material. The Exchange believes it is in the best interest of its Members to adopt FINRA's more comprehensive requirements. To the extent that other FINRA rules are incorporated into FINRA 2220 by reference, the Exchange proposes to add such language directly into the corresponding sections of proposed Rule 991.

For instance, FINRA Rule 2357 makes the provisions of FINRA 2220 applicable to index warrants, currency index warrants and currency warrants. As stated above, the Exchange proposes to amend NYSE Amex Rule 991 to correspond to FINRA Rule 2220. Thus, to harmonize its rules with FINRA's, the Exchange proposes to amend NYSE Amex Rule 1106 to correspond to FINRA Rule 2357, so that proposed NYSE Amex Rule 1106 will make the provisions of proposed NYSE Amex Rule 991 applicable to index warrants, currency index warrants and currency warrants.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁴ of the Act, in general, and furthers the objectives of Section 6(b)(5),⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system. Specifically, the proposed rule changes would provide NYSE Amex Members with a clearer, more consistent, and more comprehensive regulatory scheme, by harmonizing NYSE Amex rules with FINRA rules. The Exchange further notes that the proposed changes are neither novel nor controversial and are modeled on existing FINRA rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(6) thereunder.⁷ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6)(iii) thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes that the proposed rule change is consistent with existing FINRA rules, and does not raise any new substantive issues. For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it will promote greater harmonization between NYSE Amex Option Communication rules and the related FINRA rules. Therefore, the Commission designates the proposed

rule change effective and operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
