

## Sponsorship Program

The Commission plans to continue conference sponsorships in FY 2010. Commissioners reinstated Conference sponsorship funding for events that were consistent with the Commission's mission and values in 2006.

Sponsorship activities provide a positive venue for communicating Commission activities. Sponsorship opportunities also provide Commission outreach to a wide variety of events and audiences. Events sponsored by the Commission promote key programmatic areas that are key to the Commission's values and mission, including efforts in alternative-renewable energy conferences, health, training and leadership and transportation.

In FY 2010 this program will be funded in the amount of \$150,000. Events funded will be in line with the major program areas at the Commission and will have a statewide focus.
