

Sponsorship Program

The Commission plans to continue conference sponsorships in FY 2010. Commissioners reinstated Conference sponsorship funding for events that were consistent with the Commission's mission and values in 2006.

Sponsorship activities provide a positive venue for communicating Commission activities. Sponsorship opportunities also provide Commission outreach to a wide variety of events and audiences. Events sponsored by the Commission promote key programmatic areas that are key to the Commission's values and mission, including efforts in alternative-renewable energy conferences, health, training and leadership and transportation.

In FY 2010 this program will be funded in the amount of \$150,000. Events funded will be in line with the major program areas at the Commission and will have a statewide focus.

Dated: February 4, 2010.

Joel Neimeyer,

Federal Co-Chair.

SUMMARY: The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before April 19, 2010.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services,

Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. Abstract: The Higher Education Amendments of 1998 established Federal Student Aid as the first Performance-Based Organization. One purpose of the PBO is to improve service to students and other participants in the student financial assistance programs authorized under title IV, including making those programs more understandable to students and their parents. To do that, FSA has committed to ensuring that all people receive service that matches or exceeds the best service available in the private sector. The legislation's requirements establish an ongoing need for FSA to be engaged in an interactive

process of collecting information and using it to improve program services and processes.

Office of Postsecondary Education

Type of Review: New.

Title: Application for Grants under the Predominantly Black Institutions Program.

Frequency: Annually.

Affected Public: Business or other for profit; Not-for-profit institutions.

Reporting and Recordkeeping Hour Burden:

Responses: 30.

Burden Hours: 600.

Abstract: The Higher Education Opportunity Act of 2008 (HEOA) amended Title III, Part A of the Higher Education Act to include Section 318—The Predominantly Black Institutions (PBI) Program. Unlike the previous PBI Program (authorized by the College Cost Reduction and Access Act of 2007), which was competitive and focused on programs in the science, technology, engineering and mathematics (STEM) fields, the PBI program authorized under the HEOA is an institutional aid program and grants are based on a formula rather than being competitive. All institutions who qualify as PBIs and submit the required materials will receive a portion of the total appropriation based on a formula. The PBI Program makes grant awards to eligible colleges and universities to plan, develop, undertake and implement programs to enhance the institution's capacity to serve more low- and middle-income Black American

students; to expand higher education opportunities for eligible students by encouraging college preparation and student persistence in secondary school and postsecondary education; and to strengthen the financial ability of the institution to serve the academic needs of these students. Allowable activities are numerous and include academic instruction, teacher education, faculty development, equipment purchase, construction and maintenance, and tutoring and counseling services. This information collection is necessary to comply with Section 318 of Title III, Part A of the HEA as amended.
