### **Office of Safe and Drug-Free Schools; Overview Information; Models of Exemplary, Effective, and Promising Alcohol or Other Drug Abuse Prevention Programs on College Campuses; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2010**

*Catalog of Federal Domestic Assistance (CFDA) Number:* 84.184N.

*Dates:*

*Applications Available:* February 22, 2010.

*Deadline for Transmittal of Applications:* March 31, 2010.

*Deadline for Intergovernmental Review:* June 1, 2010.

#### **Full Text of Announcement**

##### **I. Funding Opportunity Description**

*Purpose of Program:* The goals of this program are to identify and disseminate information about exemplary and effective alcohol or other drug abuse prevention programs implemented on college campuses. Through this grant competition, the U.S. Department of Education (ED) also will recognize colleges and universities whose programs, while not yet exemplary or effective, show evidence that they are promising.

*Priority:* This priority is from the notice of final priority, definitions, requirements, and selection criteria for this competition, published in the **Federal Register** on April 1, 2008 (73 FR 17867).

*Absolute Priority:* For FY 2010 and any subsequent year in which we make awards based on the list of unfunded

applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

*Exemplary, Effective, and Promising Alcohol or Other Drug Abuse Prevention Programs on College Campuses.*

Under this priority the Department provides funding to institutions of higher education (IHEs) that have implemented an exemplary, effective, or promising alcohol or other drug abuse prevention program on their campus. To meet the priority, in its application, an applicant must:

1. Describe the program that has for at least two full years been implemented on its campus, including the structure and content of the program, the student population that is targeted by the program, and any unique features of the program;

2. Provide a detailed theoretical basis for the program's effectiveness;

3. Provide data to demonstrate the program's impact on the target student population, including evidence of cognitive or behavioral changes, or both, among the target population; and

4. Consent to a site visit to clarify information in the application and verify evaluation data.

Under this competition, the Department selects an IHE for recognition as having an exemplary, effective, or promising program based on the recommendation from the two peer reviewers who conduct the site visit. Therefore, note that selection for a site visit does not ensure recognition as an exemplary, effective, or promising program by the Department.

#### *Recognition Types*

Contingent upon the quality of data provided by the applicant and the recommendation of site visitors, an applicant may earn one of three levels of recognition. Level 1 is recognition as an exemplary program. An IHE whose program is designated as exemplary must:

1. Within 30 days of receiving an award, provide to the Department a plan to disseminate information about its program to other IHEs;

2. Upon approval by the Department, implement its dissemination plan; and

3. Enhance and further evaluate the exemplary program during the project period of the grant award.

Level 2 is recognition as an effective program. An IHE whose program is designated as effective must:

1. Within 30 days of receiving an award, provide to the Department a plan to disseminate information about its program to other IHEs;
