SECURITIES AND EXCHANGE COMMISSION

[Rule 17Ad–16; SEC File No. 270–363; OMB Control No. 3235–0413]

Submission for OMB Review; Comment Request

Upon Written Request Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for approval of extension of the existing collection of information provided for Rule 17Ad–16 (17 CFR 240.17Ad–16) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”).

Rule 17Ad–16 requires a registered transfer agent to provide written notice to the appropriate qualified registered securities depository when assuming or terminating transfer agent services on behalf of an issuer or when changing its name or address. In addition, transfer agents that provide such notice shall maintain such notice for a period of at least two years in an easily accessible place. This rule addresses the problem of certificate transfer delays caused by transfer requests that are directed to the wrong transfer agent or the wrong address.

We estimate that the transfer agent industry submits approximately 3,000 Rule 17Ad–16 notices to appropriate qualified registered securities depositories. The staff estimates that the average amount of time necessary to create and submit each notice is approximately 15 minutes per notice. Accordingly, the estimated total industry burden is 750 hours per year (15 minutes multiplied by 3,000 notices filed annually).

Because the information needed by transfer agents to properly notify the appropriate registered securities depository is readily available to them and the report is simple and straightforward, the cost is relatively minimal. The average cost to prepare and send a notice is approximately \$7.50 (15 minutes at \$30 per hour). This yields an industry-wide cost estimate of \$22,500 (3,000 notices multiplied by \$7.50 per notice).

Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. Comments should be directed to: Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: (i) Shagufta_Ahmed@comb.eop.gov; and (ii) Charles Boucher, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

SECURITIES AND EXCHANGE COMMISSION

[Rule 17a–5; SEC File No. 270–155; OMB Control No. 3235–0123]

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549–0213.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Rule 17a–5 (17 CFR 240.17a–5) is the basic financial reporting rule for brokers and dealers.¹ The Rule requires the filing of Form X–17A–5 (17 CFR 249.617), the Financial and Operational Combined Uniform Single Report (“FOCUS Report”), which was the result of years of study and comments by representatives of the securities industry through advisory committees and through the normal rule proposal methods. The FOCUS Report was designed to eliminate the overlapping regulatory reports required by various self-regulatory organizations and the Commission and to reduce reporting burdens as much as possible. The Rule also requires the filing of an annual audited report of financial statements.

The FOCUS Report consists of: (1) Part I, which is a monthly report that must be filed by brokers or dealers that clear transactions or carry customer securities; (2) one of three alternative quarterly reports: Part II, which must be filed by brokers or dealers that clear transactions or carry customer securities; Part IIA, which must be filed by brokers or dealers that do not clear transactions or carry customer securities; and Part IIB, which must be filed by specialized broker-dealers registered with the Commission as OTC derivatives dealers;² (3) supplemental

¹ Rule 17a–5(c) requires a broker or dealer to furnish certain of its financial information to customers and is subject to a separate PRA filing (OMB Control Number 3235–0199).

² Part IIB of Form X–17A–5 must be filed by OTC derivatives dealers under Exchange Act Rule 17a–12 and is subject to a separate PRA filing (OMB Control Number 3235–0498).

schedules, which must be filed annually; and (4) a facing page, which must be filed with the annual audited report of financial statements. Under the Rule, a broker or dealer that computes certain of its capital charges in accordance with Appendix E to Exchange Act Rule 15c3-1 (17 CFR 240.15c3-1) must file additional monthly, quarterly, and annual reports with the Commission.

The variation in the size and complexity of brokers and dealers subject to Rule 17a-5 and the differences in the FOCUS Report forms that must be filed under the Rule make it difficult to calculate the cost of compliance. However, we estimate that, on average, each report will require approximately 12 hours. At year-end 2008, the Commission estimates that there were approximately 5,190 brokers or dealers, and that of those firms there were approximately 530 brokers or dealers that clear transactions or carry customer securities. In addition, approximately 220 firms filed annual reports. The Commission therefore estimates that approximately 530 firms filed monthly reports, approximately 4,400 firms filed quarterly reports, and approximately 220 firms filed annual reports. In addition, approximately 5,190 firms filed annual audited reports. As a result, there were approximately 29,530 total annual responses ($(530 \times 12) + (4,400 \times 4) + 220 + 5,190 = 29,370$). This results in an estimated annual burden of 354,360 hours ($29,530$ annual responses $\times 12$ hours = 354,360).

In addition, we estimate that approximately 11 brokers or dealers will elect to use Appendix E to Rule 15c3-1 to compute certain of their capital charges (as of October 2009, seven brokers or dealers have elected to use Appendix E). We estimate that the average amount of time necessary to prepare and file the additional monthly reports that must be filed by these firms is about 4 hours per month, or approximately 48 hours per year; the average amount of time necessary to prepare and file the additional quarterly reports is about 8 hours per quarter, or approximately 32 hours per year; and the average amount of time necessary to prepare and file the additional supplemental reports with the annual audit required is approximately 40 hours per year. Consequently, we estimate that the total additional annual burden for these 11 brokers or dealers is approximately 1,320 hours ($(48 + 32 + 40) \times 11 = 1,320$).

The Commission therefore estimates that the total annual burden under Rule 17a-5 is approximately 353,800 hours

($352,440 + 1,320 = 353,760$, rounded to 353,800).
