The

notice was published in the **Federal Register** on November 17, 2009 (74 FR 59254).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers provide security communication and training, resource coordination and security compliance services for external clients.

New information shows that the correct location of the Information Security Team was located at the Chicago Illinois client location not Downers Grove, Illinois as stated in the certification notice issued for the subject firm.
