BILLING CODE M

SECURITIES AND EXCHANGE COMMISSION

[Rule 248.30; SEC File No. 270-549; OMB Control No. 3235-0610]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 248.30 (17 CFR 248.30), under Regulation S-P is titled "Procedures to Safeguard Customer Records and Information; Disposal of Consumer Report Information." Rule 248.30 (the "safeguard rule") requires brokers, dealers, investment companies, and investment advisers registered with the Commission ("registered investment advisers") (collectively "covered institutions") to adopt written policies and procedures for administrative, technical, and physical safeguards to protect customer records and information. The safeguards must be reasonably designed to "insure the security and confidentiality of customer records and information," "protect against any anticipated threats or hazards to the security and integrity" of those records, and protect against unauthorized access to or use of those records or information, which "could result in substantial harm or inconvenience to any customer." The safeguard rule's requirement that covered institutions' policies and procedures be documented in writing constitutes a collection of information and must be maintained on an ongoing basis. This requirement eliminates uncertainty as to required employee actions to protect customer records and information and promotes more systematic and organized reviews of safeguard policies and procedures by institutions. The information collection also assists the Commission's examination staff in assessing the existence and adequacy of covered institutions' safeguard policies and procedures.

We estimate that as of the end of 2009, there are 5253 broker-dealers, 4522 investment companies, and 11,450 investment advisers currently registered with the Commission, for a total of 21,225 covered institutions. We expect that all of these covered institutions have already documented their safeguard policies and procedures in writing and therefore will incur no hourly burdens related to the initial documentation of policies and procedures.

However, we expect that approximately 10 percent of the 21,225 covered institutions currently registered

with the Commission will review and update their policies and procedures each year, for a total of 2123 covered institutions that will spend time to update their policies and procedures. The amount of time spent reviewing and updating safeguard policies and procedures is likely to vary widely, based on the size of the entity, the complexity of its operations, and any significant changes in the security environment. We estimate that it will take a typical covered institution that reviews and updates its safeguard policies and procedures approximately 20 hours to complete such a review and document the results, for a total hourly burden for all institutions of 42,460 hours.

Although existing covered institutions would not incur any initial hourly burden in complying with the safeguards rule, we expect that newly registered institutions would incur some hourly burdens associated with documenting their safeguard policies and procedures. We estimate that approximately 1500 broker-dealers, investment companies, or investment advisers register with the Commission annually. However, we also expect that approximately 70% of these newly registered covered institutions (1050) are affiliated with an existing covered institution, and will rely on an organization-wide set of previously documented safeguard policies and procedures created by their affiliates. We estimate that these affiliated newly registered covered institutions will incur a significantly reduced hourly burden in complying with the safeguards rule, as they will need only to review their affiliate's existing policies and procedures, and identify and adopt the relevant policies for their business. Therefore, we expect that newly registered covered institutions with existing affiliates will incur an hourly burden of approximately 15 hours in identifying and adopting safeguard policies and procedures for their business, for a total hourly burden for all affiliated new institutions of 15,750 hours.

Finally, we expect that the 450 newly registered entities that are not affiliated with an existing institution will incur a significantly higher hourly burden in reviewing and documenting their safeguard policies and procedures. We expect that virtually all of the newly registered covered entities that do not have an affiliate are likely to be small entities and are likely to have smaller and less complex operations, with a correspondingly smaller set of safeguard policies and procedures to document, compared to other larger existing

institutions with multiple affiliates. We estimate that it will take a typical newly registered unaffiliated institution approximately 65 hours to review, identify, and document their safeguard policies and procedures, for a total of 29,250 hours for all newly registered unaffiliated entities.

Therefore, we estimate that the total annual hourly burden associated with the safeguards rule is 87,460 hours. We also estimate that all covered institutions will be respondents each year, for a total of 21,225 respondents.

These estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number. The safeguard rule does not require the reporting of any information or the filing of any documents with the Commission. The collection of information required by the safeguard rule is mandatory.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: February 23, 2010.

Florence E. Harmon,
Deputy Secretary.

Applicants' Representations:

1. The Millington Trust is a unit investment trust ("UIT") that is registered under the Act. Any future Trust will be a registered UIT. Millington, an Illinois corporation, is registered under the Securities Exchange Act of 1934 as a broker-dealer and is the Depositor of the Millington Trusts. Each Series will be created by a trust indenture between the Depositor and a banking institution or trust company as trustee ("Trustee").

2. The Depositor acquires a portfolio of securities, which it deposits with the Trustee in exchange for certificates representing units of fractional undivided interest in the Series' portfolio ("Units"). The Units are offered to the public through the Depositor and dealers at a price which, during the initial offering period, is based upon the aggregate market value of the underlying securities, or, the aggregate offering side evaluation of the underlying securities if the underlying securities are not listed on a securities exchange, plus a front-end sales charge. The maximum sales charge may be reduced in compliance with rule 22d-1 under the Act in certain circumstances, which are disclosed in the Series' prospectus.

3. The Depositor is not legally obligated, and does not currently intend, to maintain a secondary market for Units of outstanding equity Series, but may seek to do so in the future. Other broker-dealers may or may not maintain a secondary market for Units of a Series. If a secondary market is maintained, investors will be able to
