Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Magnet Schools Assistance Program (MSAP) provides grants to eligible local educational agencies (LEAs) and consortia of LEAs to support magnet schools that are part of an approved desegregation plan. Through the implementation of magnet schools, these program resources can be used in pursuit of the objectives of the Elementary and Secondary Education Act (ESEA), which supports State and local efforts to enable all elementary and secondary students to achieve to high standards and holds schools, LEAs, and States accountable for ensuring that their students do so. In particular, the MSAP provides an opportunity for eligible entities to focus on expanding their capacity to provide public school choice to students who attend schools identified for improvement, corrective action, or restructuring under Title I, Part A of the ESEA.

Priorities: This competition includes four competitive preference priorities which are explained in the following paragraphs.

Competitive Preference Priorities: In accordance with 34 CFR 75.105(b)(2)(ii), Priorities 1, 2, and 3 are from the regulations for this program (34 CFR 280.32). Priority 4 is from the notice of final priority for this program, published in the **Federal Register** on March 9, 2007 (72 FR 10729).

For FY 2010, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award up to an additional 40 points to an application, depending on how well the application meets these priorities. The maximum possible points for each priority are indicated in parentheses following the title of the competitive preference priority. These points are in addition to any points the application earns under the selection criteria.

These priorities are:

Priority 1—Need for assistance (up to 10 additional points). The Secretary evaluates the applicant's needs for assistance under the MSAP regulations in 34 CFR part 280, by considering—

(a) The costs of fully implementing the magnet schools project as proposed;

(b) The resources available to the applicant to carry out the project if funds under the program were not provided;

(c) The extent to which the costs of the project exceed the applicant's resources; and

(d) The difficulty of effectively carrying out the approved plan and the project for which assistance is sought, including consideration of how the design of the magnet schools project—*e.g.*, the type of program proposed, the location of the magnet school within the LEA—impacts on the applicant's ability to carry out the approved plan successfully.

Priority 2—New or revised magnet school projects (up to 10 additional points). The Secretary determines the extent to which the applicant proposes to carry out new magnet schools projects or significantly revise existing magnet schools projects.

Priority 3—Selection of students (up to 10 additional points). The Secretary determines the extent to which the applicant proposes to select students to attend magnet schools by methods such as lottery, rather than through academic examination.

Priority 4—Expanding Capacity to Provide Choice (up to 10 additional points). This priority supports projects that will—

(1) Help parents whose children attend low-performing schools (that is, schools that have been identified for school improvement, corrective action, or restructuring under Title I of the Elementary and Secondary Education Act of 1965, as amended) by—

(a) Selecting schools identified for school improvement, corrective action, or restructuring under Title I as magnet schools to be funded under this project and improving the quality of teaching and instruction in these schools; or

(b) Maximizing the opportunity for students in low-performing schools to attend higher-performing magnet schools funded under the project and thereby reduce minority group isolation in the low-performing sending schools; and

(2) Effectively inform parents whose children attend low-performing schools about choices that are available to them in the magnet schools funded under the project.

Note 1: For the purpose of this priority, *school improvement* has the meaning given in 34 CFR 200.32(a)(1), *corrective action* has the meaning given in 34 CFR 200.33(a), and *restructuring* has the meaning given in 34 CFR 200.34(a).

Note 2: Priority 4 provides for an applicant to earn up to 10 priority points. To earn a maximum of 10 points an applicant must meet both paragraph (1)(a) and (1)(b) and paragraph (2) of the priority. An applicant proposing only to use the approach in paragraph 1(a) in one or more schools in the district and that meets paragraph (2) would earn up to 5 points. Similarly, an applicant proposing only to use the approach in paragraph 1(b) in one or more other schools in the district and that meets paragraph (2) would earn up to 5 additional points. Applicants proposing to use one or both approaches must also meet paragraph (2) in order to receive points under this priority.

Background for Priority 4: Paragraph 1(a) supports eligible applicants that propose to convert one or more schools identified for improvement, corrective action, or restructuring under Title I into magnet schools. Paragraph 1(b) supports eligible applicants that would use higher-performing schools as magnet schools and, by doing so, significantly increase the opportunity for students attending schools identified for school improvement, corrective action, or restructuring to participate in public school choice by attending a higher-performing school. Under paragraph 1(b), an eligible applicant would need to ensure that the magnet school would have sufficient space available to accommodate students who would likely be interested in transferring from schools identified for school improvement, corrective action, or restructuring. Additionally, the applicant would need to show how the enrollment of the magnet and/or sending schools (*i.e.*, the schools identified for school improvement, corrective action, or restructuring from which students would transfer) would change in a manner that resulted in the elimination, reduction, or prevention of minority group isolation in those sending schools.

Program Authority: 20 U.S.C. 7231–7231j.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, and 99. (b) The regulations for this program in 34 CFR part 280 as amended by the interim final regulations published elsewhere in this issue of the **Federal Register**. (c) The notice of final priority for the MSAP, published in the **Federal Register** on March 9, 2007 (72 FR 10729).

II. Award Information

We may choose not to further consider or review applications with budget requests for any 12-month budget period that exceed this amount, if we conclude, during our initial review of the application, that the proposed goals and objectives cannot be obtained with the specified maximum amount.

Estimated Number of Awards: 40.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. **Eligible Applicants:** LEAs or consortia of LEAs.

2. **Cost Sharing or Matching:** This program does not require cost sharing or matching.

3. **Other:** Applicants must submit with their applications one of the following types of desegregation plans to establish eligibility to receive MSAP assistance: (a) A desegregation plan required by a court order; (b) a desegregation plan required by a State agency or an official of competent jurisdiction; (c) a desegregation plan required by the Office for Civil Rights (OCR), United States Department of Education (Department), under Title VI of the Civil Rights Act of 1964 (Title VI plan); or (d) a voluntary desegregation plan adopted by the applicant and submitted to us for approval as part of the application. Under the MSAP regulations, applicants are required to provide all of the information required in 34 CFR 280.20(a) through (g), as amended by the interim final regulations published elsewhere in this

issue of the **Federal Register**, in order to satisfy the civil rights eligibility requirements found in 34 CFR 280.2(a)(2) and (b).

In addition to the particular data and other items for required and voluntary desegregation plans described in the application package, an application must include—

Signed civil rights assurances (included in the application package);
A copy of the applicant's desegregation plan; and

An assurance that the desegregation plan is being implemented or will be implemented if the application is funded.

Required Desegregation Plans

1. **Desegregation plans required by a court order.** An applicant that submits a desegregation plan required by a court order must submit complete and signed copies of all court or State documents demonstrating that the magnet schools are a part of the approved desegregation plan. Examples of the types of documents that would meet this requirement include—

A Federal or State court order that establishes or amends a previous order or orders by establishing additional or different specific magnet schools;

A Federal or State court order that requires or approves the establishment of one or more unspecified magnet schools or that authorizes the inclusion of magnet schools at the discretion of the applicant.

2. **Desegregation plans required by a State agency or official of competent jurisdiction.** An applicant submitting a desegregation plan ordered by a State agency or official of competent jurisdiction must provide documentation that shows that the desegregation plan was ordered based upon a determination that State law was violated. In the absence of this documentation, the applicant should consider its desegregation plan to be a voluntary plan and submit the data and information necessary for voluntary plans.

3. **Title VI required desegregation plans.** An applicant that submits a desegregation plan required by OCR under Title VI must submit a complete copy of the desegregation plan demonstrating that magnet schools are part of the approved plan.

4. **Modifications to required desegregation plans.** A previously approved desegregation plan that does not include the magnet school or program for which the applicant is now seeking assistance must be modified to include the magnet school component. The modification to the desegregation

plan must be approved by the court, agency, or official that originally approved the plan. An applicant that wishes to modify a previously approved OCR Title VI desegregation plan to include different or additional magnet schools must submit the proposed modification for review and approval to the OCR regional office that approved its original plan.

An applicant should indicate in its application if it is seeking to modify its previously approved plan. However, all applicants must submit proof of approval of all modifications to their desegregation plans to the Department by June 2, 2010. Proof of plan modifications should be mailed to the person and address identified under **FOR FURTHER INFORMATION CONTACT** in section VII of this notice.

Voluntary Desegregation Plans

A voluntary desegregation plan must be approved by ED each time an application is submitted for funding. Even if ED has approved a voluntary desegregation plan in an LEA in the past, the plan must be resubmitted for approval as part of the application.

The enrollment and other information as required by the regulations in 34 CFR 280.20(f) and (g) for applicants with voluntary desegregation plans (specific requirements are detailed in the application package) are critical to our determination of an applicant's eligibility under a voluntary desegregation plan.

The purposes of the MSAP include the reduction, elimination, or prevention of minority group isolation. All voluntary desegregation plans proposed in an LEA's application must be adequate under Title VI.

2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

Notice of Intent To Apply: The Department will be able to develop a more efficient process for reviewing grant applications if it has a better understanding of the number of entities that intend to apply for funding under this competition. Therefore, the Secretary strongly encourages each potential applicant to notify the Department by sending a short e-mail message indicating the applicant's intent to submit an application for funding. The e-mail need not include information regarding the content of the proposed application, only the applicant's intent to submit it. This e-mail notification should be sent to FY10MSAPCOMP@ed.gov. Applicants that do not provide this e-mail notification may still apply for funding.

Page Limit: The application narrative is where you, the applicant, address the selection criteria and two of the competitive preference priorities that reviewers use to evaluate your application. The two competitive preference priorities that must be addressed in the application narrative are Competitive Preference Priority 1—Need for Assistance; and Competitive Preference Priority 4—Expanding Capacity to Provide Choice. You must limit the application narrative to the equivalent of no more than 100 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all

text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will be not accepted.

The page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances, certifications, the desegregation plan and related information; the forms used to respond to Competitive Preference Priority 2—New or revised magnet schools projects and Competitive Preference Priority 3—Selection of students; or the one-page abstract, the resumes, or letters of support. However, the page limit does apply to all of the application narrative.

Our reviewers will not read any pages of your application that—

- Exceed the page limit; or
- Exceed the equivalent of the page limit if you apply other standards.

3. Submission Dates and Times:

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this competition after 4:30:00 p.m., Washington, DC time, on the application deadline date. - After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

(1) Print SF 424 from e-Application.

(2) The applicant's Authorizing Representative must sign this form.

(3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

(1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

(2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington,

DC time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Rosie Kelley, U.S. Department of Education, 400 Maryland Avenue, SW., room 4W221, Washington, DC 20202. FAX: (202) 260-1108.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

V. Application Review Information

Selection Criteria: The selection criteria for this program are from 34 CFR 75.210 (Quality of Project Services) and 34 CFR 280.31 (Quality of personnel, Quality of project design, Budget and resources, Evaluation plan, Commitment and capacity). The quality of project design criterion is based on sections 5305(b)(1)(A), 5305(b)(1)(B), 5305(b)(1)(D)(i), 5305(b)(2)(D) and 5307(b) of the ESEA, in accordance with 34 CFR 75.209 and 280.30. All of the selection criteria are listed in this section and in the application package.

The maximum score for all the selection criteria is 100 points. The maximum score for each criterion is included in parentheses. Each criterion also includes the factors that reviewers will consider in determining whether an application meets the criterion.

Points awarded under these selection criteria are in addition to any points an applicant earns under the competitive preference priorities in this notice. The maximum score an application may receive based on the priority points and the selection criteria is 140 points.

The selection criteria are as follows:

(a) *Quality of project services.* (25 points)

(1) The Secretary considers the quality of the services to be provided by the proposed project.
