DEPARTMENT OF HEALTH AND HUMAN SERVICES

Issuance of Final Policy Directive

AGENCY: Administration for Children and Families.

ACTION: Notice.

SUMMARY: The Administration for Native Americans (ANA) is issuing final interpretive rules, general statements of policy and rules of agency organization, procedure, or practice relating to the following Funding Opportunity Announcements (FOAs): Social and Economic Development Strategies (hereinafter referred to as SEDS), Social and Economic Development Strategies—Special Initiative (hereinafter referred to as SEDS—SI), Native Language Preservation and Maintenance (hereinafter referred to as Language Preservation), Native Language Preservation and Maintenance—Esther Martinez Initiative (hereinafter referred to as Language—EMI), and Environmental Regulatory Enhancement (hereinafter referred to as ERE). This notice also provides information about how ANA will administer these programs.

FOR FURTHER INFORMATION CONTACT:

Caroline Gary, Deputy Commissioner, (877) 922-9262, 370 L'Enfant Promenade, SW., 2nd Floor West, Washington, DC 20447.

SUPPLEMENTARY INFORMATION:

I. Background

Section 814 of the Native American Programs Act of 1974, as amended, requires ANA to provide members of the public an opportunity to comment on proposed changes in interpretive rules, general statements of policy and rules of agency organization, procedure, or practice and to give notice of the final adoption of such changes at least 30 days before the changes become effective.

ANA published a Notice of Public Comment (NOPC) in the **Federal Register** (74 FR 68849) on December 29,

2009, with proposed policy and program clarifications, modifications, and activities for the fiscal year (FY) 2010 FOAs. The public comment period was open for 30 days.

ANA received 12 comments from eight different entities: (1) Three from a Federally recognized Tribe; (2) one from an Alaska Native Village Corporation; (3) one from a Tribally controlled college; (4) one from a Hawaiian non-profit organization; (5) two from a Hawaiian University; (6) one from an individual language educator; (7) one from an Alaskan non-profit organization; and (8) two from a national non-profit for Native languages. ANA considered all of the comments received and provided responses, clarifications, and modifications in this final directive. The following paragraphs summarize the comments and our responses. The comments are grouped by the portion of the NOPC to which they apply.

II. Comments and Responses

A. Comments on SEDS and SEDS—SI FOAs

Comments: ANA received three comments in reference to the SEDS—SI FOA and the former SEDS—Alaska program announcement. One commenter said that the description of the SEDS—SI funding opportunity was insufficient to determine whether the commenter's Tribe would be eligible to apply under this new FOA. A second commenter stated that the discontinuation of SEDS—Alaska will have a detrimental impact on Alaska Native communities, and a third stated the same concerns and encouraged ANA to consider keeping that program area with an increased ceiling amount.

Responses: In response to the first comment about SEDS—SI, ANA provided this clarification: The forthcoming SEDS—SI FOA will address the same program areas of interest as SEDS and have the same eligibility criteria; the only difference between SEDS and SEDS—SI will be the funding floor and ceiling amounts.

In response to the second and third comments, ANA offered no changes. ANA acknowledges that there are many Tribes and organizations with limited capacity throughout all of the United States and its Territories. The SEDS—Alaska initiative was established in 1984 and for more than 20 years assisted Alaska Native Villages and Alaskan organizations with capacity-building projects and activities. ANA has limited funding available with which to impact its target communities, and ANA is continuously seeking ways to best
