Because of these court rulings, it is very important that those interested in this action participate by the close of the 45 day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the Final SETS. To assist the Forest Service in identifying and considering issues and concerns, comments on the Draft SEIS should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points. Comments received, including the names and address of those who comment, will be considered part of the public record on this proposal and will be available for public inspection.

SUPPLEMENTARY INFORMATION: In written submissions and statements to the

Consultative Group as part of this public meeting, parties are asked to provide information or comment on the following issues:

(a) Examples of identification, monitoring, verification, and/or certification systems, or other models, that have been successful in reducing child labor and/or forced labor in the global supply chains within the agricultural sector or other industries;

Section 3205 of the Food, Conservation, and Energy Act of 2008 (Farm Bill, Pub. Recommendations developed by the Consultative Group are to be submitted to the Secretary of Agriculture by June 18, 2010. By June 18, 2011, the Secretary is required to release guidelines for a voluntary initiative to enable entities to address issues raised by the Trafficking Victims Protection Act of 2000 (22 U.S.C. 7101 *et seq.*). The guidelines must be published in the **Federal Register** and made available for public comment for a period of 90 days. The Consultative Group will terminate on December 31, 2012.

On September 23, 2009, Secretary of Agriculture Thomas J. Vilsack appointed 13 members to the Consultative Group. The group consists of both government and non-government members, including

members from USDA; the U.S. Department of Labor; and the U.S. Department of State. Non-government members include three members from the agriculture-related private sector; two members from institutions of higher education and research; one member from an organization providing independent, third-party certification services for labor standards; and three members from non-profit organizations with expertise on international child labor and forced labor issues.

Trade Adjustment Assistance for Farmers

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

The Administrator, Foreign Agricultural Service (FAS), will begin accepting Trade Adjustment Assistance (TAA) for Farmers petitions for fiscal year 2010 beginning March 11, 2010. Petitioners may file a form FAS-930 or their own submission setting forth the information required by 7 CFR part 1580.201(c) with FAS from March 11, 2010, through April 14, 2010.

Petitioners must file their petition in accordance with 7 CFR part 1580.201. The petition must be received by the TAA for Farmers Staff by close of business April 14, 2010. The petition must be sent in writing to the Foreign Agricultural Service, OTP/IPERD, MS-1021, Washington, DC 20250-1021, or by facsimile to (202) 720-0876, or by e-mail to tradeadjustment@fas.usda.gov. The use of fax or e-mail is recommended.

SUPPLEMENTARY INFORMATION: The American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) reauthorized the Trade Adjustment Assistance for Farmers program as established by Subtitle C of Title I of the Trade Act of 2002 (Pub. L. 107-210), which amended the Trade Act of 1974. The statute authorizes an appropriation of not more than \$90 million for each fiscal year 2009 through 2010, and \$22.5 million for the period October 1 through December 31, 2010, to carry out the program. The regulations covering the program are found at 7 CFR part 1580.

Under this program, the U.S. Department of Agriculture (USDA) provides technical assistance and cash benefits to eligible producers of raw agricultural commodities and fishermen (jointly referred to as "producers") when the FAS Administrator determines that increased imports of raw agricultural commodities, aquaculture products, or wild-caught aquatic species (each referred to as "commodity") have contributed importantly to a greater than 15 percent decrease in the national average price, or quantity of production, or value of production, or cash receipts for the commodity specified in the petition compared to the average of the 3 preceding marketing years.

To qualify, a group of producers or its authorized representative must petition the Administrator (FAS) for trade

adjustment assistance. Petitions will be reviewed for completeness and timeliness. Once the petition is completed in accordance with 7 CFR part 1580.201, a notice of acceptance of the petition will be published in the **Federal Register**. An investigation will be initiated to verify whether or not for the most recent marketing year and for the commodity produced by the group, increased imports contributed importantly to a greater than 15 percent decrease in the national average price, or quantity of production, or value of production, or cash receipts for the agricultural commodity specified in the petition, compared to the average of the 3 preceding marketing years. If any one of these conditions is met, the Administrator (FAS) will certify the group as eligible for trade adjustment assistance and publish a notice of the certification in the **Federal Register**.

Eligible producers covered by the certification must file individual applications for assistance with the Farm Service Agency, USDA, within 90 days of the certification.

FOR FURTHER INFORMATION OR ASSISTANCE IN COMPLETING FORM FAS-930, CONTACT: The Trade Adjustment Assistance Staff, FAS, USDA, at (202) 720-0638, or by e-mail: tradeadjustment@fas.usda.gov.
