Title: Solid Waste Disposal Facility Criteria (Renewal).

ICR Numbers: EPA ICR No. 1381.09, OMB Control No. 2050-0122.

ICR Status: This ICR is scheduled to expire on March 31, 2010. Under OMB regulations, the Agency may continue to conduct or sponsor the collection of information while this submission is pending at OMB. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations in title 40 of the CFR, after appearing in the **Federal Register** when approved, are listed in 40 CFR part 9, are displayed either by publication in the **Federal Register** or by other appropriate means, such as on the related collection instrument or form, if applicable. The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: In order to effectively implement and enforce final changes to 40 CFR Part 258 on a State level, owners/operators of municipal solid waste landfills have to comply with the final reporting and recordkeeping requirements. Respondents include owners or operators of new municipal solid waste landfills (MSWLFs), existing MSWLFs, and lateral expansions of existing MSWLFs. The respondents, in complying with 40 CFR Part 258, are required to record information in the facility operating record, pursuant to § 258.29, as it becomes available. The operating record must be supplied to the State as requested until the end of the post-closure care period of the MSWLF. The information collected will be used by the State Director to confirm owner or operator compliance with the regulations under Part 258. These owners or operators could include Federal, State, and local governments, and private waste management companies. Facilities in NAICS codes 9221, 5622, 3252, 3251 and 3253 may be affected by this rule.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 54 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to

respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities:

owners or operators of municipal solid waste landfills, state agencies.

Estimated Number of Respondents: 1,950.

Frequency of Response: Annually, On occasion.

Estimated Total Annual Hour Burden: 204,748.

Estimated Total Annual Cost: \$12,892,203, includes \$1,831,333 annualized operation & maintenance and \$379,520 annualized capital costs.

Changes in the Estimates: There is an increase of 240 hours in the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens. This is due to the increased number of states adopting the Research, Development, and Demonstration section since the last ICR update.

Dated: March 12, 2010.

John Moses,

Director, Collection Strategies Division.

The display of OMB control numbers in certain EPA regulations is consolidated in 40 CFR part 9.

Abstract: The New Source Performance Standards (NSPS) for Commercial and Industrial Solid Waste Incineration Units (CISWI) were proposed on November 30, 1999, and promulgated on December 1, 2000. The affected entities are subject to the General Provisions of the NSPS at 40 CFR part 60, subpart A and any changes, or additions to the General Provisions specified at 40 CFR part 60, subpart CCCC.

Owners or operators of the affected facilities must make an initial notification, performance tests, periodic reports, and maintain records of the occurrence and duration of any startup, shutdown, or malfunction in the operation of an affected facility, or any period during which the monitoring system is inoperative. Reports, at a minimum, are required semiannually.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 239 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the
