## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

#### *Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

#### *Extension:*

Rule 15a-4; SEC File No. 270-7; OMB Control No. 3235-0010.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15a-4 (17 CFR 240.15a-4) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the "Exchange Act") permits a natural person member of a securities exchange who terminates his or her association with a registered

broker-dealer to continue to transact business on the exchange while the Commission reviews his or her application for registration as a broker-dealer if the exchange files a statement indicating that there does not appear to be any ground for disapproving the application. The total annual hourly burden imposed by Rule 15a-4 is approximately 42 hours, based on approximately 10 responses (10 Respondents x 1 Response/Respondent), each requiring approximately 4.23 hours to complete.

The Commission uses the information disclosed by applicants in Form BD: (1) To determine whether the applicant meets the standards for registration set forth in the provisions of the Exchange Act; (2) to develop a central information resource where members of the public may obtain relevant, up-to-date information about broker-dealers, municipal securities dealers and government securities broker-dealers, and where the Commission, other regulators and SROs may obtain information for investigatory purposes in connection with securities litigation; and (3) to develop statistical information about broker-dealers, municipal securities dealers and government securities broker-dealers. Without the information disclosed in Form BD, the Commission could not effectively implement policy objectives of the Exchange Act with respect to its investor protection function.

The statement submitted by the exchange assures the Commission that the applicant, in the opinion of the exchange, is qualified to transact business on the exchange during the time that the applications are reviewed.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
