[BOP-1154-I]

RIN 1120-AB54

Commutation of Sentence: Technical Change**AGENCY:** Bureau of Prisons, Justice.**ACTION:** Interim rule.

SUMMARY: This document makes a minor technical change to the Bureau of Prisons (Bureau) regulations on sentence commutation to clarify that the Bureau staff, who may not be institution-level staff, will recalculate the inmate's sentence in accordance with the terms of the commutation order if a petition for commutation of sentence is granted.

DATES: *Effective Date:* March 23, 2010. *Comment Date:* Written comments must be postmarked and electronic comments must be submitted on or before May 24, 2010. Commenters should be aware that the electronic Federal Docket Management System will not accept comments after Midnight Eastern Time on the last day of the comment period.

ADDRESSES: Written comments should be submitted to the Rules Unit, Office of General Counsel, Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. You may view an electronic version of this regulation at <http://www.regulations.gov>. You may also comment by using the <http://www.regulations.gov> comment form for this regulation. When submitting comments electronically you must include the BOP Docket No. in the subject box.

FOR FURTHER INFORMATION CONTACT: Sarah Qureshi, Office of General Counsel, Bureau of Prisons, phone (202) 307-2105.

SUPPLEMENTARY INFORMATION:**Posting of Public Comments**

Please note that all comments received are considered part of the public record and made available for public inspection online at <http://www.regulations.gov>. Such information includes personal identifying information (such as your name, address, etc.) voluntarily submitted by the commenter.

If you want to submit personal identifying information (such as your name, address, etc.) as part of your comment, but do not want it to be posted online, you must include the phrase "PERSONAL IDENTIFYING

INFORMATION" in the first paragraph of your comment. You must also locate all the personal identifying information you do not want posted online in the first paragraph of your comment and identify what information you want redacted.

If you want to submit confidential business information as part of your comment but do not want it to be posted online, you must include the phrase "CONFIDENTIAL BUSINESS INFORMATION" in the first paragraph of your comment. You must also prominently identify confidential business information to be redacted within the comment. If a comment has so much confidential business information that it cannot be effectively redacted, all or part of that comment may not be posted on <http://www.regulations.gov>.

Personal identifying information identified and located as set forth above will be placed in the agency's public docket file, but not posted online. Confidential business information identified and located as set forth above will not be placed in the public docket file. If you wish to inspect the agency's public docket file in person by appointment, please see the **FOR FURTHER INFORMATION CONTACT** paragraph.

The reason that the Bureau is requesting electronic comments before Midnight Eastern Time on the day the comment period closes is because the inter-agency Regulations.gov/Federal Docket Management System (FDMS) which receives electronic comments terminates the public's ability to submit comments at Midnight on the day the comment period closes. Commenters in time zones other than Eastern may want to take this fact into account so that their electronic comments can be received. The constraints imposed by the Regulations.gov/FDMS system do not apply to U.S. postal comments which will be considered as timely filed if they are postmarked before Midnight on the day the comment period closes.

Commutation of Sentence: Technical Change

This document makes a minor technical change to the Bureau regulations on sentence commutation to clarify that Bureau staff other than institution-level staff will recalculate the inmate's sentence in accordance with the terms of the commutation order if a petition for commutation of sentence is granted. Specifically, that function is currently completed by the Bureau's Designation and Computation Center (DSCC), located in Grand Prairie, Texas.

Previously, the regulation stated that institution staff would be responsible for recalculating an inmate's sentence in accordance with the terms of a commutation order. However, in 2005, the Bureau centralized its designation and sentence computation functions in a new Bureau branch, the Designation and Sentence Computation Center, to streamline the Bureau's administrative functions and reduce operational costs. DSCC staff, not institution staff, make determinations on sentence computation issues. The change from "institution staff" to "Bureau of Prisons staff" is therefore necessary to accurately reflect current Bureau practice while allowing for the possibility that these functions may be accomplished by a different Bureau office in the future.

It is important to note that this change to the regulation changes none of the substantive requirements or obligations relating to petitions for commutation of sentence, nor does it alter the Bureau's responsibilities in this regard.

Administrative Procedure Act

The Administrative Procedure Act (5 U.S.C. 553) allows exceptions to notice-and-comment rulemaking for "(A) interpretive rules, general statements of policy, or rules of agency organization, procedure, or practice; or (B) when the agency for good cause finds * * * that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest."

This rulemaking is exempt from normal notice-and-comment procedures because it is a minor technical change. Because this change is a minor clarification of current agency procedure and practice, we find that normal notice-and-comment rulemaking is unnecessary. We are, however, allowing the public to comment on this rule change by publishing it as an interim final rule.

Executive Order 12866

This regulation has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review", section 1(b), Principles of Regulation. The Director of the Bureau of Prisons has determined that this rule is not a "significant regulatory action" under Executive Order 12866, section 3(f), and accordingly this rule has not been reviewed by the Office of Management and Budget.

Executive Order 13132

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on distribution of power and

responsibilities among the various levels of government. Therefore, under Executive Order 13132, we determine that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Regulatory Flexibility Act

The Director of the Bureau of Prisons, under the Regulatory Flexibility Act (5 U.S.C. 605(b)), reviewed this regulation and by approving it certifies that it will not have a significant economic impact upon a substantial number of small entities for the following reasons: This rule pertains to the correctional management of offenders committed to the custody of the Attorney General or the Director of the Bureau of Prisons, and its economic impact is limited to the Bureau's appropriated funds.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by § 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.
