Title: Streamlined Clearance Process for Discretionary Grant Information Collections.

Frequency: Annually.

Affected Public: State, Local or Tribal Gov't.

Reporting and Recordkeeping Hour Burden:

Responses: 1.

Burden Hours: 1.

Abstract: Section 3505(a)(2) of the PRA of 1995 provides the OMB Director authority to approve the streamlined clearance process proposed in this information collection request. This information collection request was originally approved by OMB in January of 1997. This information collection streamlines the clearance process for all discretionary grant information collections which do not fit the generic application process. The streamlined clearance process continues to reduce the clearance time for the U.S. Department of Education's (ED's) discretionary grant information collections by two months or 60 days. This is desirable for two major reasons: it would allow ED to provide better customer service to grant applicants and help meet ED's goal for timely awards of discretionary grants. This is a request to extend the clearance process for discretionary grant information collections, and continue to be streamlined in the following manner: the clearance process begins when ED submits the collection to OMB and, simultaneously, publishes a 30-day public comment period notice in the **Federal Register**. OMB has 60 days, following the beginning of the public comment period, to reach a decision on the collection.
