The Bureau of Labor Statistics contributes to this goal by gathering information about the labor force and labor market and disseminating it to policymakers and the public so that participants in those markets can make more informed, and thus more efficient, choices. Research based on the NLSY97 contributes to the formation of national policy in the areas of education, training, employment programs, and school-to-work transitions. #### Funding Opportunity Description

The U.S. Department of Labor (USDOL), Veterans' Employment and Training Service (VETS), announces a grant competition under the Veterans' Workforce Investment Program (VWIP) for Program Year (PY) 2010, as authorized under section 168 of the Workforce Investment Act (WIA) of 1998. This Solicitation for Grant Applications (SGA) notice contains all of the necessary information and forms needed to apply for grant funding. Selected programs will assist eligible Veterans by providing employment, training, support services, credentialing, networking information, and/or other assistance. WIA section 168, 29 U.S.C. 2913 authorizes the Department of Labor to make grants to meet the needs for workforce investment activities of Veterans with service-connected disabilities, Veterans who have

significant barriers to employment, Veterans who served on active duty in the armed forces during a war or in a campaign or expedition for which a campaign badge has been authorized, and recently separated Veterans within 48 months of discharge (under conditions other than dishonorable). Veterans who received a "dishonorable" discharge are ineligible for VWIP services. Priority of service for Veterans in all Department of Labor funded training programs is established in 38 U.S.C. 4215.

VWIP grants are intended to address two objectives: (a) To provide services to assist in reintegrating eligible veterans into meaningful employment within the labor force; and (b) to stimulate the development of effective service delivery systems that will address the complex employability problems facing eligible veterans.

Projects that support the President's commitment to "Green Energy Jobs" and propose a clear strategy for training and employment in the renewable energy economy, are considered unique and innovative and will receive priority consideration.
